Armaggedon

When we read in first Peter 5:8, when we read in 1 Peter 5:8, St. Peter tells us the following. Be sober. Be vigilant because your adversary, your adversary, Satan, your adversary is the devil walks about like a roaring lion seeking whom he may devour. So what is a lion? What is a what is Satan? a roaring lion seeking whom he may be able to devour.
So, Satan came to us as a lion to devour us. Jesus said, "If you Satan came as a lion to devour my children, guess what, Satan? I'll come at you as a lion and I'll devour you.
You're not going to touch my children." Now, that is a promise.
I'll devour you.
When you read in Genesis 49:9, it says Judah is a lion's cup from the prey. My son, you have come up. You have gone up. Who's speaking here? The father. He's saying to his son, you are from the tribe of Judah, and you are what? You are like a lion's cub. Jesus Christ is the lion's cup. He is the lion from the tribe of Judah. And Jesus when he was born, he came from the tribe of Judah. The lineage of King David is from the tribe of Judah. So as our father Joseph, so as our holy mother Mary, they are all from the tribe of Judah.
So he came as a lion. There is a prophecy in Genesis 49:9 that when my son goes up, he'll come like the lion's cup from Judah. Jesus is the only one whom this prophecy is being fulfilled.
So Jesus came as the lion to devour Satan, the roaring lion.
The first seal, God becomes man, the word incarnate.
The body is the church.
This victory redemption Christ gave to his church.
This victory redemption Christ gave to his church.
Um, I'll read it again. And I saw when the lamb opened one of the seals, and I heard one of the four living creatures, the lion, Gospel of Mark, saying with a voice like thunder, "Come and see." Now, why the Holy Spirit mentions the word?
His voice was like a thunder.
In the midst of troublesome times, in the midst of our trouble, in the midst of our hardships, God is always merciful.
Thunder comes before the rain.
Thunder comes before the rain. When the when the clouds send out those thunders, you know, and all of us know few minutes later the rain is coming.
God is saying when you are going through dark moments in your life, when you are going through some very rough seas in your life, when every door is shut in your face, when you realize there is no escape from this situation, there is no way out from this situation, God is saying, I will make sure that my voice will be heard by you and my voice will come to you through the Holy Bible. Whether it be Mark, whether it be Luke, Jame, John, Matthew, but I'll make sure you hear my voice.
But when you are in trouble, my voice will come like a lion and it will be like a thunder.
Why? Because I'll say to you, my voice is coming as a thunder.
Because very shortly after you have heard my voice, the blessings of heaven will come down

upon you like rain.
The blessings of heaven will come down upon you like rain. When the rain comes down, it changes the face of the earth.
The dry land becomes lush green. The trees become fruitful. Everything, the flowers blossom and flourish. Everything changes from a desolate dead land into an oasis.
That's what God does in everyone's life.
When you hang on till the end, he who endures till the end shall live.
You're going through some very dry season. You're going through some very difficult times. Your land is desolate.
You feel like you are a desert. You feel nothing. You see nothing. You hear nothing. You are so alone and lost and confused and disorientated. Christ says, "I have never forsaken you, my child. I said it and I will always say it. I will never leave you orphans. Never.
The world has gone against you, but your Jesus will always be with you.
I'll send you my voice like a lion thundering voice. Because shortly after the thunder, I'll send you my blessings, the rain, and I will change the face of your life. I'll give you a new faceelift. I'll make you look beautiful one more time. You have sinned. I'll make you a saint. You've gone astray.
I'll bring you back to the path. You walked away from me. I'll seek you because I am the good shepherd. I'll go searching for the lost sheep in this wilderness. But I'll bring you back. I'll bring you back. I made a promise to my dad that when I am risen from the dead. I'm coming back to you, Dad. But this time, I am not coming alone. For I have a bride on earth called the church.
I'll bring my bride with me without a stain, without a blemish. So hang in there. Trust in your Jesus. For the rain of blessings is coming your way no matter what.
They're doing cloud seeding.
Now that is the rain of condemnation.
But Christ, his reign, he'll make sure it will come down upon the face of this earth.
Because Christ, sooner or later, he will make sure every human being realizes that he is God. Believe me, it's coming very soon.
Everyone will know that Jesus is the only God. There is no one else.
The church walked away, but the church will be re re refurbished and rembellished one once again. The Lord is faithful to his word.
Don't worry, my beloveds.
They can do whatever they want. They can't touch you. He cannot.
For Christ will always be God. And God will never go back on his promise.
Whatever he says, he delivers.
Don't be afraid.
Now, come and see what verse two. And I looked, and behold, a white horse.
He who sat on it had a bow, and a crown was given to him, and he went out conquering and to conquer.
I came to see, and I looked, and behold, a white horse. He who sat on it had a bow and a crown was given to him.
It's a white horse.
It's the stage of Ephesus. The the church of Ephesus or the church in the state of Ephesus is

the first 100 years.
The Lord Jesus, it was his first coming to bring salvation to the human race. He came to die on the cross and to conquer.
He came conquering and to conquer. But this time he is sitting on a white horse.
The Jewish people since they lived in Egypt for 400 years, they learned a lot of Egyptian traditions.
So imagine 400 years living in a country, you become part of it, their customs, their traditions. So the Jews till now they have certain customs. They are not Jewish. They are of Pharaoh descent Egyptian customs.
One of it is washing the feet of a stranger walks in into your home. This is Coptic tradition, not Jewish.
Good one.
Now, the Jews lived 400 years. The Israelites lived 400 years in Egypt.
When the Pharaoh, who was the Pharaoh? King. And who is Christ? the king of all kings.
So when Pharaoh used to come, he wants to enter a battle, he would sit on a horse.
Whenever the people of Egypt saw their king, Pharaoh sitting on a horse, they said, "God have mercy. We're entering a battle." When the Pharaoh won the battle, he would sit on a donkey.
So the king Pharaoh sitting on a donkey send the message to the entire Egyptian people that we won the battle or the war.
So the sign of war is the horse. The sign of victory is the donkey mule.
Guess what the Lord Jesus prior to entering Jerusalem which we call Palm Sunday. It's coming very soon. Palm Sunday. What did the Lord Jesus sit on to enter Jerusalem? And he steadily focused, steadfast focused on Jerusalem.
He entered to engage himself in a battle with Satan, the roaring lion. He entered Jerusalem to fight with Satan and to embrace the cross.
He entered before the battle began. He entered sitting on a donkey, not a horse. Why? Because the Lord is saying to all of us when it comes to me, I Jesus Christ of Nazareth before I enter a battle, I know what the outcome is. I am always victorious before the battle begins. And if you hold on to me and if you walk on my footprints, I'll make you victorious before the battle begins.
When you are with Christ, the end result is already known. You don't need to wait for you to find out. You need to trust in the Lord.
The Lord never loses. He's always triumphant. That's why he sat on a mule on a donkey and he entered Jerusalem and he won. The end result, he crushed the head of a serpent. He rose from the dead on the third day, went up to heaven and sat at the right hand of the father. He made us hes to the king to the throne and inheritors of the kingdom and the sons of God and God became our dad. We became cleansed from everything. We became triumphant.
So what are you waiting for? Are you still waiting and saying would Jesus come to me really?
If you're thinking this way, why would Jesus come to someone like me? I'm nothing but a piece of filth. I'm nothing but a piece of, you know, failure. All I do is wrong things. Would Jesus waste his time on some wretched person like me? Never. So, I'm not going to pray anymore. I'm not going to try anymore because it's too late. I am good for nothing. Don't ever

say that. This is Satan whispering in your ears. Step on him and say, in Jesus mighty name, I am always triumphant. I am victorious.
I am victorious.
But this time when the first seal was opened, Jesus was sitting on a white horse.
But the horse is a sign of a battle war.
But this horse is white. Now we said the first seal here symbolizes or represents Christ bringing salvation to the human race. Now to bring salvation, he has to engage himself into a battle. So the the sign of the battle is the horse. But Jesus sat on the horse to bring salvation by fighting the enemy, Satan, the roaring line. But his horse is white. Now the the the color white represents peace.
Wow. So what is the Lord saying? He is saying my war is a war of peace.
Is there such a thing? Yes.
What is the war of peace? He said John the beloved, he said, "And I saw the one who was sitting on this white horse had a bow." Bow and arrow, right? The Lord Jesus is saying that arrow, the head of it is very sharp. It pierces the heart. He said that sharp arrow is my word. My word is the arrow that pierce the heart of people. And the Lord said it to Simon Peter. He said,"Do not use the sword ever again because if you take by the sword, by the sword you shall be taken. I my battle is the battle of love and love brings peace." That's why it's a white horse. You know when you wave a white flag, what does that say? I surrender, please. Can we make it peace now? I don't want to fight. You're you're you're in a battle. And then you wave a white flag to the other side, the enemy. What are you saying? I'm not fighting anymore. I'm surrendering. It's peace time.
Even though it's a very sneaky way.
But thei United Nations, they have their own army, the UN. When they go into countries, all their vehicles are white.
Have you seen it?
All their vehicles are white. So what are they saying? This army is a peacemaker army. That's why it is white.
But they are peacemakers according to Satan, not to Christ.
Cuz UN is the antichrist.
There is no such thing as human rights the way UN pushes the agenda.
very evil, but they follow what the Bible says.
Their vehicles, army vehicles are all painted white.
We're peacemakers. Really? That's a It's a very laughable matter. Peacemakers.
Now, the Lord is sitting on a horse, the sign of war, but it's a white one. My war is of peace.
Why? Because my war is my word which is the arrow that pieces the heart of people. My word is love. Because I God am love.
I come and engage in the battle of love.
Why? Because in the world there is no love. In the world there is no peace. I come to this world fight against the prince of this world who has no love and no peace in him. neither in this world, but I engage in the battle of love because love is the greatest weapon you could ever use. For love never fails. 1 Corinthians 13:8, St. Paul says, "Love never fails.
You can't overcome love.
You cannot overcome it.

Love gives you peace. Love gives you truth.
So he's sitting on a white horse. It's a war. It's a battle of peace.
And he had a bow. His word is that arrow that peace is the hearts of people.
You know, if you want to change a person, you can never change them by force. You can only change them with love.
If you try forcefully to change a person and let's say you succeed, you have succeeded in doing one thing, making that person your enemy.
And the moment they have that opportunity to get back at you, they will never hesitate. They will shred you to pieces.
But when you win the battle by changing a person through love, you've gained them forever. Even though you fail and you fall, they will run to embrace you because they never forget the day you came to them with love. Love never fails. My beloved, love one another. Be good to one another. Be kind to one another. Be humble towards one another.
For love for God is love and God never fails.
Never fails.
The Lord Jesus, the ultimate thing he gave us was love.
But what was the ultimate miracle that Jesus did on earth? Raising the dead, including himself.
He raised Lazarus.
That is an ultimate miracle. How can you raise someone rotted in the grave for 4 days? But guess what? I went to Cyprus.
Lazarus has another grave. Before it was in Bethany in Israel. Now it is in Cyprus near Greece.
He's got another grave. So Jesus raised Lazarus from the dead. But he died again. But when Jesus changes the heart of men. And the only way for God to change our heart is through love. But when God changes the heart, that heart never dies.
never dies.
Love never dies. But you raise a dead will die again. And you raise them, they'll die again. And you raise them, they'll die again. But you raise their heart once with love, i.e. change their heart, it's forever. It will never die.
Love is the most powerful weapon.
The Lord comes with the sword of peace and love, not with the sword of chopping heads as some people think. No such thing.
Have I It's 8:00. Can I continue quickly? You sure? Is it hot? Must be my presence, you know. Is it really hot? Do you want the air con on? No. You sure?
Okay, then I'm not hot.
Um, okay.
And a crown was given to him. It's the crown of glory. It's the crown of victory.
Revelation 2:10.
You remain faithful till the end. I will give you the crown of life.
Christ was faithful till the end. He was given the crown of glory, of victory, of life eternal. He rose from the dead never to die again. He lives forever.
And whoever has Christ lives forever.
This is the crown of victory. Since you are engaging in a battle, then once you win, you need

to be rewarded. Christ engaged into the battle against Satan, against the world, and he won. What is his victory? eternal life, eternity, the heirs to the throne and the inheritor of the kingdom of God forever in Christ Jesus. We've inherited God and God became my daddy and your daddy. This is the crown of victory.
And he went out conquering and to conquer. What does that mean? He went out conquering the first time and to conquer. The first conquering he did it by himself and he went out to conquer he is now conquering through us.
The first time he came himself. God was revealed in the flesh. Became Jesus Christ of Nazareth. He conquered by himself against the enemy. Now Christ went up to heaven. What did he leave on earth? The church. The enemy is fighting the church. The church is us. The enemy is coming to fight us. Christ is dwelling in us through his spirit through holy baptism. So Christ is fighting through us now to conquer once again against Satan.
He conquered by himself and he went out to conquer through his children the church. And how many saints has he got like the stars of heaven? You can never count them. He conquered through his sons, through his children. They won the battle through Christ fighting through them and they became saints.
One of my favorite saints is Pope Surl the 6th passed away on the third on the 9th of March 1971.
He moved on to heaven on the 9th of March 1971. not long ago is my sweetheart.
Christ, he went out conquering. He won himself by himself to conquer. He won through Sirill the 6 and endless saints. Endless like Sirill the 6. angels, you know, when when when you get attacked, I know it's ugly. I know sometimes it is unbearable, but in a way, you need to thank God. You know why? Because if you're getting attacked, that means Christ is really very close with you, in you, and walking along with you. That's why you are getting on Satan's nerve.
Satan will not attack someone who is lost. Satan will only attack those whom Christ is dwelling in them with mightiness. So when you are getting attacked so heavily, thank the Lord because it is a very very clear sign that Jesus is with you. That's why you are making Satan eat Indian hot pepper.
So thank the Lord and say, "Lord, it's very unbearable this trial, but you're with me. Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me." Psalm 23. For you are with me.

The Great Tribulation Approaches

So when the devil is cast onto the earth, that's when the great tribulation will commence. And that great tribulation is focused on the house of Jacob. It is focused on the Israelite people of the end times, the Jewish people. So the great tribulation it is focused on the Israelite people on the Jewish our beloved Jewish people and at the same time it will affect the entire globe.
So it's not only the Jewish people will go through great tribulation but the whole world will go through it as well.
At this particular stage, the church of Christ of the New Testament, the Christians, that

church, the gate of mercy would have been closed by the Lord himself. So there will be some Christians left and will go through the great tribulation. But unfortunately those Christians who are left till the end, they will be Christians by name, not by deed. The church would have denied the Lord fully. There will be some remnants left, but the majority of Christians would have sold their master Jesus Christ of Nazareth.
And it's very unfortunate.
We have experienced a taste and a glimpse of this since 2020, have we not?
I said it before and I'll say it again.
Churches were open for vaccination jabbing hubs, not vaccination, jabbing because it's not a vaccine.
Churches were opened to jab people, but they were not open to receive people to Christ.
Church leaders agreed supported this evil agenda COVID 19.
People may disagree with me, may agree with me. It's really beside the point.
I'm not talking for people to agree or disagree. I'm just stating what is the truth.
The truth is what has happened. It is of an evil origin. Period.
There is no corona virus. Well, if there is a virus, so I'm sure there's a lot of viruses out there. But what has happened? It was a deliberate act and it was um politicized in a major on a major level that it was not even worth a penny.
You know to say the survival rate is 99.97 without any jabbing and then to go and do a lockdown on a global level. I just wonder looks like the normal virus the seasonal virus was much stronger than this so-called Toyota Corona.
So the church would have been living in absolute darkness when the enemy is thrown onto the earth.
Woe unto the inhabitants of the earth and the sea. For the devil has come down to you with great wrath because he knows he has a short time. That short time is the great tribulation.
That was verse 12. So now we go on to verse 13. Now when the dragon saw that he had been cast to the earth, he persecuted the woman who gave birth to the male child.
And we said, "Who is this woman?" The Israelite nation, even though it can relate to the holy mother, our sweetheart. However, when we read the entire text, it is not talking about the holy mother at all. It is talking about the Israelite nation as the woman who gave birth to this child called Jesus Christ of Nazareth because Jesus came from the Israelite nation from the tribe of Judah, one of the 12 sons of Jacob who was called later on Israel. So he is the child of this woman, the Israelite nation. Cuz definitely the holy mother did not flee to the wilderness, but the Israelite nation, the women did go to the wilderness.
So now, so he knew that he was thrown onto the earth and we said when he comes down to the earth that's when he will go full steam ahead and devour the entire world.
We said when he is the prince of the air, the air here talks about or represents the thought of the human being. So Satan now till this moment he has jurisdiction to enter people's thoughts and play with it. And this is exactly what he's doing with every single one of us and with the whole world. He's playing with the people's minds.
Deceiving, twisting, falsifying and drifting away from God and saying to them, "You are neither male nor a female in between, above, below, and everywhere.
This is evil in the core.
So well done people.

Well done.
But when he is cast onto the earth, no more playing with people's minds. He will start bashing people.
That's when the great tribulation will take place. And it is concentrated on the Israelite nation, our beloved Jewish people, and through them the entire world. So when he realized this dragon has been cast to the earth, he persecuted the woman, Israelite nation, who gave birth to the male child, Jesus Christ of Nazareth. Verse 14. But the woman was given two wings of a great eagle that she might fly into the wilderness to her place where she is nourished for a time and times and half a time.
So when the great tribulation comes upon the Israelite nation, which is the end of times and end of times two is a 2,000-year cycle. We have gone very deep into the end of time cycle. That 21st century is the end of time cycle 100%.
100%.
That's why do not be shocked to see people doing weird things. Do not be shocked to hear people saying out of the ordinary things because the end of times that generation would have become godless.
Godless.
And once any one of us loses track of God totally, everything that person does will be of evil intention.
Because goodness only comes from one source, the good God who is Jesus Christ of Nazareth. He is the only source of goodness. Anything outside of Jesus is evilness.
So when people lose track of the true God, everything they do, everything they say will be evil.
Exactly what is happening in our time and age. It does not take a genius to figure out if what is happening around us is evil or not. Just look a glimpse.
I can smell it for a million miles away.
It's evil.
So she was given a great two wings of a great eagle, the power of God, that she might fly into the wilderness to her place where she is nourished for a time and times and half a time. We see time, times, and half half a time is three and a half. Three and a half is the three and a half years out of the seven years, which is the last week according to prophet Daniel. It's the last week which is the great tribulation. The great tribulation. The Lord out of mercy divided it into two parts. The first one the beginning of the pain but the last one is the heart of the pain which is the last three and a half years of unbearable suffering because Satan has been cast onto the earth and he will devour people they have never seen done ever before.
the lockdowns and the corona whatever co that took place since 2020 will be like a holiday compared to what's happening later on will be like like a walk in a park will be like a holiday when the great tribulation comes no one will ever be able to withstand the immensity of the suffering and the persecution of this dragon Satan towards humanity.
But the Lord will give two wings of a great of a great evil. He will give power to the woman. Who is the woman? The Israelite nation, the Jewish people. He will give them power in the midst of their their suffering because he loves them like he loves everyone else.
No one is special in the eyes of God because everyone is special.
So part of humanity is the Israelite nation. He loved them from the beginning. He will love

them till the end. He will love them till the end. So don't ever be upset with any Jewish person. You need to love everyone.
That's the Lord. It's the Lord commandment. Love everyone. So we need to pray for our beloved Jewish people and we need to love them no matter what happened or happens later on.
Now verse 15. So the serpent spewed water out of his mouth like a flood after the woman that he might cause her to be carried away by the flood.
spewed water out of his mouth after this woman. The Israelite nation is talking about the Israelite nation in the end of times, the great tribulation. Spewing water meaning water here, temptation, enticement.
He wants to lure them into being tempted. He will bribe them. He will try. Satan will try to bribe the Israelite nation not to go back to Jesus Christ. He will give them a lot of gifts. He will tempt them with glories.
Just don't walk away from me. Don't go back to God. Because till now they are in denial of the Messiah's coming, first coming. But in the great tribulation, they will no longer be in denial. They will come back and repent accepting Jesus Christ as Lord and God and Savior to their own souls.
A lot of Jewish people will become Christian will will accept Jesus as their Lord and God and they will confess that we have denied your first coming.
But today in the midst of our hardships and suffering, we confess that you have come before and you are coming now to save and deliver your own people. They will accept him when Christ crushes them through this great tribulation because there is no other way for the Israelite people to come back to Jesus until he really crushes them and corners them where they will wave the white flag in surrendering to the almighty Jesus Christ of Nazareth.
that is happening.
The 21st century will not finish unless this world is punished heavily by God.
Heavily.
May the Lord have mercy.
But the earth helped the woman, and the earth opened its mouth and swallowed up the flood which the dragon had spewed out of his mouth. But the earth helped the woman. You see, when this woman fled into the wilderness, she was given two wings of a great eagle by the Lord himself. He helped the Israelite nation, they fled. When they fled, the people of the earth, who are the people of the earth in this particular passage? the non-Israelite.
There will be other people. The other people who are the non-Israelites will help the Jewish people. God will put mercy in their hearts to accept and embrace the Jewish people who are fleeing the persecution of the dragon.
those non-Israelite, the people of the earth, the pagan world, the rest of the world, those who accept the Jewish people, and show mercy towards them.
What will happen to them? The Lord will reward them. Where do we see this?
In the Gospel of Matthew, it's not on the screen. In the Gospel of Matthew chapter 25:40, look, look what the Lord says in Matthew 25:40.
The Lord says, "And the king will answer and say to them, assuredly or truly I say to you, in as much as you did, you did it to one of the least of these my brethren, you did it to me."
Chapter 25 prior to verse 40, the Lord Jesus was saying, I was hungry and you fed me. I was

thirsty and you quenched my thirst. I was a stranger and you held my hand. And they said to him, Lord, when did we see you hungry or thirsty and we came to your rescue? He said, "Truly I say to you, in as much as you have done this to the least of my bre little brethren, you have done it unto me." He called the Israelite nation in the end of times his least of his brethren.
The Lord Jesus to the Israelite nation is the following. The Old Testament Israelite nation are his older brothers.
The end of times in the New Testament Israelite nations are his little brothers. So those who came before him in the flesh are his older brothers and those who came in the flesh after him which is the end of times are the little brothers. So the little brothers is being referred to the Israelite nation not us.
What is he to us? The groom. The heavenly groom. My beloved Jesus Christ.
To the New Testament church, the Christians. He is the groom. And the church is the bride.
To us, he is not a brother. He is the groom. But to the Israelite, he is their brother. Why?
Because Jesus comes from the tribe of Judah. And Judah is one of the 12 sons of Jacob, Israel. So since Jesus comes from Judah, then Benjamin and the rest are his brothers.
So to the Israelite nation, he is a brother. To the New Testament Christian church, he is the groom, the heavenly groom.
So those who will accept the Jewish people in their tribulations of the great tribulation end of times whoever is going to show mercy to them the Lord will say your reward will not be forgi for forgotten at all because you've done it to the least of my brethren to the Jewish people.
I will reward you just by being nice to my Jewish people.
So you need to be nice to them. Even if they're not nice to you. If you want to please the Lord, then you need to be nice to them. Pray for them.
But you cannot agree that Jesus has not come yet. No, I will never agree with them on this.
But I will love them for the sake of my sweetheart Jesus. Because Jesus is their brother.
And as a brother, he will never deny them. He will never deny them even though they did.
But in the end of times, he will make sure they do not stay stubborn. And the only way for them not remaining stubborn by crushing them through the great tribulation. The great tribulation, my beloved, Israel will be stripped by a superpower.
And it won't be America because America would have been gone with the wind.
and America in recent times only have walked away from Jesus Christ in a way that has never happened in its entire history.
From the day it was founded till now, she has never walked away from Jesus the way she has in the last 10 20s.
Unbelievably, America is denying the Lord as the day goes by. Unbelievably, directly and indirectly, those who will show mercy to the Israelite people in the end of times, during their great tribulation, the Lord will reward them because they have done it unto the least of his brethren. The least of the Lord's brethren are the Jewish people of the end times 21st century.
And the dragon was enraged.
But you see, but the earth held the woman and the earth opened its mouth and swallowed up the flood which the dragon had spewed out of his mouth. See, the dragon tried to bribe the Israelite nation, but the people of the earth helped the Jewish people and said, "It's okay. Stay faithful, stay loyal. They embraced them into their own homes, into their own lives. That

earth opened up its mouth and swallowed that water which came out of the dragon's mouth. Meaning people of the world help the Jewish people in the end of times.
You see, now the world despises the Jews. But when the great tribulation comes, the world will show mercy to the Jews. And whoever from the world shows mercy to the Jews, Jesus will reward that pagan accordingly. So maybe by being nice to the Jew, he may be also saved by the Lord Jesus. just by being nice to the Jew.
My beloved, everything will turn upside down later on because the Lord will make sure that there is no one ever in charge except him. He will make sure that see the church became wealthy. We read in the book of revelation and and earlier he said you have become rich and you say I have this and I have that but to me I the Lord Jesus I see you the blind the naked you're nothing.
The church has become rich in its own eyes. We have wealth. We have churches.
We have buildings. We have clubs and pubs and pokéies.
Yeah. Why are you surprised?
It's all part of managing the wealth.
But we lost Christ in the midst of all that. We lost Christ. Verse 17. And the dragon was enraged with the woman and he went to make war with the rest of her offspring. You see, there will be Jewish people in the end of times through the great tribulation.
They will be faithful to their Lord and they will confess Jesus Christ as their Messiah and they will repent and say, "We have sinned against you in denying your first coming. Today we acknowledge that you came and you have come back again the second time to rescue your little brethrens through their greatest suffering in their entire history.
They will accept Jesus as Lord and Savior.
Millions of Jewish people will convert to Christ through the great tribulation.
millions upon millions.
And the dragon was enraged to see that this he couldn't fight against this woman. And he went to make war with her with the rest of her offspring who keep the commandments of God and have the testimony of Jesus Christ. Wow. That means they will accept Jesus in the end.
They will have the testimony of him.
They'll say, "He is my Lord and Savior.
I'm a Jew. I was born a Jew. I was raised a Jew. But today I am of Christ.
No longer just a Jew. I belong to Jesus Christ. He is my Lord and Savior.
You see when you read in the book of Genesis chapter 43 and onwards, you'll see when you know Jacob had 12 sons, one of them was Joseph. The brothers wanted to kill Joseph. Why? Because the dad loved Joseph more than the rest. So they were jealous of Joseph. He came to bring them food. They tried to kill him, but they ended up throwing him into the well. Afterwards, they sold him to somehow merchants. He went as a slave to Egypt. And out of Egypt, he became the second person in charge after Pharaoh.
He had that. He had the ring of Pharaoh.
This is how much Pharaoh loved Joseph and took him as his second son.
In fact, he loved Joseph more than his son and trusted Joseph more than his own biological son. So, Joseph became Pharaoh in charge. His brothers came.
To cut the long story short, he threw them in prison. The moment they were thrown in prison,

who said this is the blood of our brother Joseph that is haunting us now. We have to pay for what we have done. We killed our own brother.
We destroyed our own brother. Brother Joseph that is haunting us. In fact, he loved Joseph more than his son and trusted Joseph more than his own biolog.
The moment they were thrown to cut the long story short, he threw them in prison. The moment they were thrown in prison, who said this is the blood of our brother Joseph that is haunting us now? We have to pay for what we have done. We killed our own brother. We destroyed our own brother. Who said this in prison? Judah. Out of the entire brothers, Judah. Jesus. Out of which tribe did he come? Judah.
Judah said, "This is the blood of Joseph that is haunting us now. We deserve imprisonment." That prison which is in Genesis is the great tribulation of the 21st century.
When the Israelite are thrown in prison of the great tribulation, Judah will cry out and say, "This is the blood of Joseph which we have to pay for." And Joseph represents symbolically Jesus Christ of Nazareth. Because the name Joseph means the green one. Who is the green one? The Lord. There is a prophecy about him saying he is the green branch.
And the Lord himself said, "If this they have done, if this they have done to the green branch, what would they do to the dry one?
I am I am the true Joseph." Looks like the enemy is doesn't like what I'm saying.
Just turn the reverb unit on, dear Father.
I am the true branch, the green one.
Green one means without a blemish, without sin. A dry branch tells you that it's dead. So where did death come from?
Sin. The wages of sin is death. So we are the dry branch because we're all sinners. But there is one in the midst of us that never sinned, neither with thought nor with action. His name is Jesus Christ of Nazareth. He is the true green branch. Joseph symbolically represents Jesus Christ of Nazareth, the evergreen branch, the sinless human.
So when they were cast into prison, then they realized what they have done to Joseph and this is their payment. When the Israelite are cast into the great tribulation, then their eyes will open and say, "This is the blood of Jesus which our forefather said his blood on us and on our children. We carried the blood of our brother Joseph, Jesus.
This is why we are going through the great suffering." And in that prison, they will cry out to the true Joseph, Jesus Christ of Nazareth, and say, "Forgive us. We have killed you. We have crucified you. We have gone against you and denied you. But today in this suffering, in this prison of the great tribulation, we are saying to you, Joseph, Jesus, sorry. Forgive us.
What did Joseph do? The moment they confessed their sins, Joseph came to them and said, "I am your brother. It is me, Joseph. I'm not dead." Genesis 45, I am your brother.
The moment the Israelite nation is crushed in the great tribulation, they will confess their sin and acknowledge Jesus Christ as their Lord and Savior. Then the Lord will come and say, "I am your brother.
I am your brother and as much as you have done to the least of my brethren, you have done it onto me. To the Jewish, Jesus is their brother. To the church, Jesus is the heavenly groom.
And this is where the Lord will bring the Old and the New Testament together and make them sit around the throne which John the beloved saw in Revelation chapter 4. The 24 elders are the church of Christ both in old and new testament.

The Old Testament church of Christ is made out of 12 tribes. And the New Testament church of Christ is made out of 12 apostles. 12 and 12 24. So the 24 elders is the church of Christ in both branches old and new testament brought together in unity by the blood of the lamb of God. And the second return he'll bring the two branches together and make them one in his heaven in his glory sitting around the throne of God who is the lamb of God Jesus Christ of Nazareth. Amen.

False Apostles

And our church has sought to speak very clearly and openly that you are love.
We're not here to change you. But that you as a child of God are loved as you are.
The whole point of putting the flag out is to is to share God's love and to let people know that they're loved and welcomed and affirmed. We made sure that our flag said everyone is welcome here because that's the message we wanted to get across.
We are living in a time and age where there is so many false prophets and apostles that are liars.
There is a lot of people that preach in the name of Jesus Christ. Not all of them speak the truth.
Not all of them speak the truth.
You have tested them and you have found them to be liars, not apostles.
Apostles are church leaders and also those who preach in the name of the Lord Jesus.
Not every church leader is a true representation of the Lord Jesus. Yet they are all Christians in the eyes of the world and in the eyes of the faithful, the followers.
But not every church leader is a true apostle.
There are those who are dressed up from outside with the with the cover of the lamb, with the dress of the lamb, but from inside they are vicious and savage wolves.
So not every church leader is a true church leader. There are those who are true followers of the Lord and there are those who are liars and deceivers and they have denied the sovereign authority over them who is Jesus Christ of Nazareth. All glory to his holy name. And we see that very vividly clear in the end of times the 21st century. There are so I don't want to say so many. May the Lord forgive me.
But there are some and I pray there are only few church leaders that are liars.
They are false prophets and they are false apostles and they do not represent the Lord Jesus. None whatsoever.
The current of the world has taken them away.
They preferred They preferred the pig's field over the father's house.
They preferred the pig's field over the father's house.
Woe unto those church leaders that are not true representative of the Lord.
Woe unto them.
And there are so many people that preach the gospel, they are not carrying the truth. They are liars because the opposite to the truth is a lie. So if you are not holding the truth, you are holding the the lie.
And so many people preach the gospel but they do not preach the true the true gospel. They

do not. And they have deceived and blinded so many people.
And a blind person leading a blind, they both fall into the ditch.
And no wonder, no wonder when we look in the end of times, the 21st century, we can see so many people are have gone blind and they have fallen to that ditch and yet they think they are preaching the truth.
We need to test these people. We need to test their spirits to see if they are bringing the truth who is Jesus Christ or are they bringing a lie of their own in the name of Jesus Christ. We need to discern.
Pray my beloveds.
I can assure you.
Listen to this. I can assure you. I can assure you. And I can assure you when you come to the Lord Jesus Christ from the heart, deny yourself. Just get rid of yourself.
Do not let nothing of self-ride, self-dignity, self-exaltation, none of that nonsense. When you deprive yourself totally and erase the former Adam that is still in you, get rid of that former Adam and come with a contrite heart with a head bowing before the feet of the King of Kings and the Lord of Lords and you ask the Lord Jesus from the heart wholeheartedly genuinely take that mask off your face. Stop acting and be you.
When you come as you to the Lord and beg the Lord, "Show me the way." He will lead you to his apostolic church.
Period.
Period.
The Lord has one church and the Lord gave his teachings to that one church.
But unfortunately, some of the apostles, some of the church leaders turned out to be liars. They fed the wrong food to the followers and to the flock of Christ. That's why people went lost, left, right, and everywhere.
But what did the Lord say? I hold them all in my right hand.
The Lord is always going to be in charge. The Lord will always be the truth. The Lord Jesus will always be the head of the church. There is no other heads but him. The Lord will always be the sovereign authority over his church and in the entire world and even and even hell.
The Lord Jesus is the one and only.
Is the one and only. Go to the truth and be truthful to yourself and ask the truth. Jesus Christ to reveal the truth to you. How can I show you? He will bring you to the church whom he is well pleased with, whom he has established with his own precious blood on Calvary on the cross.
The 21st century Christendom has become Christendom in the 21st century has become very childish.
Leaders who are mature are acting like little kids. Childish behavior.
Preachers in the world are acting very childishly.
There is so much nonsense in the world, but the truth will always be the truth.
Ask the Lord, Lord, guide me, lead me, show me the way.

Vatican Snakes

Thousands of LGBTQ Catholics, their families and supporters have participated in a holy year pilgrimage to Rome. They've just walked through the holy door of St. Peter's Basilica. They say this is a historic moment in the life of the church and for their community. They say they have long felt discriminated against, shunned by the church that they now feel a level of welcome and acceptance that they attribute to Pope Francis. Francis spent the better part of his pontificate insisting that the Catholic Church must be a place of welcome. toos to those toos. He used to say these pilgrims now say they feel that they have been participating in vigils, talks and masses around Rome in these days, including one celebrated by an Italian bishop who drew a sustained standing ovation this morning when he told them it was time to restore to them the dignity that had been denied.
I'm going to say a few words that are going to be a bit harsh and maybe blunt.
But the truth hurts.
That mustard seed that became the big tree is the Catholic Church, but the birds of the sky nestled in it.
Few weeks ago, the Vatican allowed the LGBTQ to enter the Basilica of St. Peter.
I'm a Christian Orthodox, but I love the Catholic Church.
I respect the Catholic Church. I respect the Catholic Church when it adheres to the teachings of the church fathers, not the new way. The church is welcoming but not when certain group come to desecrate the holy place. when they come in inside the church where the altar is erected where the body and the blood of Christ is offered to the faithfuls. This place is holy. When somebody comes into the church and they are allowed by the Vatican to enter a church with a cross carrying a cross with the colors the cross painted in those evil colors.
Now that is not welcoming. That is evil.
It's not welcoming. It is evil. Be quiet. It is evil. I just wonder as Christians until when are we going to be asleep?
Until when are we going to be Judas is Scariot selling the Lord with 30 pieces of silver? Until when are we going to be bought with money? Until when?
I like Pope Leo the 14th. I pray for him always.
In fact, I'll change the word like to love.
But let me tell you one thing. Just because you're a pope, you can't do everything and anything.
There is a lot of vicious wolves surrounding the pope within the Vatican. I just wonder who gave that authority and permission to desecrate the holy place.
Coming carrying a cross, carrying the cross which the Lord offered himself on that cross to save and redeem the entire world. And that cross in this in those evil colors.
I pray for the LGBTQ community. I pray for them. I love them. But I will never ever accept that lifestyle ever. You know why? Because my Jesus never accepts it. And there is no authority higher than Jesus Christ of Nazareth. Even if you're a pope, dear pope, you don't have the authority to override what Christ rejects. You don't have that authority.
The supreme authority is the head of the church and the head is Christ and will always be Christ.

You are there by grace not by worthiness not by merits. You are there by grace but Christ is the rightful owner by law.
by law.
Do you know what the rainbow is about? It is a sign God, the true divine God gave after the great flood had receded and all the waters gone. The rainbow appeared in the sky as a sign of peace where God promised I will not bring flood again. I will not bring flood as such ever again. God promised I will not flood the world ever again. But God did not promise I will not burn the world ever again. He flooded it in the beginning. He will burn it in the end.
That rainbow which God showed in heaven as the sign of peace is a seven color rainbow. The the the tears of Satan, the seed of lie is a six color so-called rainbow. And if you're not aware, my beloveds, the most preferred number for Satan is number six. When you read in Revelation chapter 13, the name of that antichrist is 666.
Because the Satan imitates God, but opposite way.
God is the holy trinity. Satan is the filthy trinity. God is the father and the son and the holy spirit and Satan is that old serpent with the beast with the false prophet. Three filthy trinity. Read it in Revelation 13.
And what is the number six? Not 666. No triple six. 666.
Satan loves number six. Why? Because seven is perfection, six is imperfection. Short.
So look at Satan brings the very rainbow which God gave as the sign of peace with seven colors and turns into six.
And they claim it to be the sign of peace. Tears.
For those who used to plant in the fields wheat, they'll know this fact. When you plant the the grain of wheat and when the tears start growing along with the wheat, while they're growing, both stumps, you cannot tell the difference between them because they are almost almost identical. They are both green.
When will you know which one is the wheat and which one is the tears when they are ripe? The wheat ripes with 40 other grains in the head. But the tear gives a thorn.
A thorn. The only time you tell the difference when they ripe. While they growing, you can't tell. This is why the Lord today says to his servants, "Don't go and plug the tears lest you plug the wheat along with them because you won't be able to tell the difference. They are so close." Satan comes in a so sneaky, deceptive way. He makes it look like as if it's okay. Embrace everyone in the name of love. Accept everyone in the name of love. Go along with everyone in the name of love. Isn't love the most beautiful thing? Why can't we accept this and allow this and in and let this come into the holy of holies and desecrate that holy of holies in the name of love you evildoers.
We need to pray for the holy apostolic universal church. And the holy apostolic universal church is not just Catholic. It is also the entire Orthodox world.
We need to pray for the apostolic church. But let me tell you one thing why the Catholic Church is always in the spotlight. because it is the largest by far in number. 1.5 billion Catholics worldwide.
Let me tell you what these sons of the snake they trying to do which is Satan is all behind it in the end of times. See, Satan has put a system and this system, he will switch it on in the end of times to try and take as many people as possible to hell with him. He doesn't want him to come to Christ. So, he's putting a system. What is the system? One world order.

One world order. And the one world order to be really successful it needs one world religion because one of the most influential things in people's life is religion.
It's very extremely sensitive area. You cannot tell people don't believe in this because the moment they believe in a certain way it is extremely difficult to change their minds.
So to be successful as one world order, you need one world religion. And who do we target? The biggest branch in Christendom, the Catholic Church.
They started with the Abrahamic accord. What is this? What Abrahamic?
What are you talking about? That is an offense to the Lord Jesus. I don't care who that person is. who whoever that person that came up with this nonsense idea in the name of making peace. So we bring three groups Christians, Jews and Muslims and we come with up with this that we are all the descendants of Abraham.
Yeah. By through the flesh they are but not the spirit. We are the descendants of Christ, not Abraham. So you better get this very right through your heads. What did the Lord Jesus say when he was questioned by the very authority of the Israelite people? They said, "We are the children of Abraham. Who do you think you are?" God spoke to Abraham and we are the descendants of Abraham. You are the son of the carpenter, the son of Mary. We don't know who you are. You're nothing. What did the Lord reply and say? Truly I say to you, before Abraham was, I am. I am. meaning the everlasting God Yahweh.
The very I am which he said to Moses on the Mount Si. That the same I am spoke to the Jewish people before Abraham was. Why? Because Abraham is a human being.
He's got a past tense. He's got a present and a future. But I am God. God has everlasting present tense. He is the always the I am. I am the everpresent God. Because I am the creator of time. I am above time. And since I'm above time, where I am, there is no time. And since there is no time, there is no past. There is no present.
There is no future. There is one thing everlasting life. Ever present tense, never ceasing. So now we try to bring all the religions close. It was patcha mama not long ago.
Mother nature. Let's plant a few trees and let's pray to mother nature not to be angry and change the climate on us. Listen, the biggest lie is climate change. There is no such thing. Just go and enjoy life, mate. It's been going on for a very long time. Cows can remain and do whatever they want. They will never affect the climate. Leave the cows, poor cows, alone. You're offending the sik.
What a joke. What a lie. What a lie.
While people slept, the Lord says the enemy sawed the tears lie.
The lie grew with the with the truth and the lie so many times it is seen as the truth and so many times it is believed to be the truth.
But wait until harvest time. You will see the lie nothing but a thorn of hell and the truth nothing but glory and eternal life.
Let me tell you one thing about the male and male and female and female.
If we're talking about sin, then we can't say anything because all of us are sinners. If we're talking about sin and if some people, some Christians go and say, "But these people live in sin. Therefore, we can't deal with them." Well, if you're talking about sin, then you as a Christian, you are a sinner and maybe even a greater sinner than them. So, when it comes to sin, all of us are sinners. None of us can say a word to anyone who lives in that kind of a lifestyle. But it's not only a sin. It is a sin, but it's not only a sin. Since it's a sin, all of us are

sinners. What's the difference? But it is more so a crime in the sight of God than a sin. Why? Because God when he came to create the human being, he gave that human being an identity. One was created to be a male, the other was created to be a female. This is an identity given by God. And even in the naturalistic realm, only males and females when they get together, they can produce children. Children don't come out of thin air. Children don't come out of Adam and Steve. They come out of Adam and Eve. In the natural realm, that is only natural. Adam and Steve don't produce. Only Adam and Eve do.
But when it comes to this kind of lifestyle, it's a crime more than anything else. Why? Because when you were created into this world as a male and when you came into this world as a female, when that male comes and says, "I'm not a male, I'm a female," they end up being neither a male nor a female because they wiped the very identity which they were born with it into this world.
And every country that has approved legally this kind of lifestyle and imposed it on the majority of the citizens, that country went downhill because God will strike that country. America introduced it, they became the laughter of the world. Australia introduced it, they are going downhill. And every country that accepts such a lifestyle and impose it on the rest of the citizens, that country will be stripped by the almighty god and there is no escape. So Australia needs to wake up, Europe needs to wake up, the western world needs to wake up and learn from the east. Learn from the east.
What did God do to Sodom and Gomorrah? wiped it cuz since you are abolishing the very identity which I God gave you then you don't exist you need to be wiped but we are praying for them but for the church to allow them to enter as a welcoming gesture carrying the cross with colors on it. Now, shame on the Vatican and a very big shame on the Vatican. That was an insult to your Lord.
Judas's chariot is better than you because he never denied the Lord Jesus.
Judas said, "This is the Messiah. Go and get him." But in what you did, you've denied your Messiah. And I'm saying it with great sadness in my heart. Absolute sadness today, all day.
Let me tell you one thing. I'm a Christian Orthodox.
So what I pray the pope of Rome is faithful enough to hold on to this sinner and take him to Christ.
I need the pope to take me to Christ. So what he's Catholic, if he's faithful, if he has the fear of the Lord, I need him and I will run to him and I will beg him. Dear Pope, hold on to me, please.
I'm a sinner. I need you, my beloved Pope. Take me to Christ.
When will we be true Christians? When the Lord said it very clearly, I am the truth. I am the only way to the father. There is no other way to God but through Jesus Christ. This is my Christian faith. This is my belief. And this is how I was born. This is how I will die.
This will never change. Christ is my God, my Lord, my Savior, my Redeemer, my only way to heaven. He is heaven and he is the way to heaven. He is the only one and there is no one else but him.
Whoever wishes to believe in something else or in someone else, that's absolutely fine. Humans are created by God to be free. You choose. I'm not the judge. But I love you. I'll pray for you. But I will never accept that we worship the same God, that we follow the same God when you do not acknowledge that Jesus Christ is this very God.

sorrow. That's a fine red line cannot be crossed.
As humans, we love and respect one another. But when it comes to faith, my God is Jesus Christ. And if you don't believe in this Jesus Christ, then there is nothing to talk about. Nothing to talk about. Nothing in the name of love. Embrace nothing in the lame of love. Let us all pray each in their way. Because they all pray at the end they go to the same God. Excuse me.
Now you're denying your Messiah. You're denying your your your Christian faith. Then step down and don't be in that position anymore. There is only one way to God as far as Christianity is concerned. And I'm saying it with love and humility, but with truth. There is only one way to God. His name is Jesus Christ of Nazareth. No one else. I love the Muslim. I love the Buddhist.
I love the Hindus. I love the atheist. I love the LGBTQ. But Jesus Christ is my God. And this is non-negotiable.
So Abrahamic faith is a lie and it's an insult and an offense to the almighty Jesus Christ of Nazareth because after Jesus there is no one that can come and there is no other name that can be mentioned. When Jesus came all names cease because he is the only one who is God. Abraham definitely not and neither anyone else. It is only Jesus and he is the only one who can unite.
Not Abraham. You want to unite in the name of Abraham. Uniting in the flesh and the flesh is sinful, lustful. Is that what you want to unite in? Go for it. But you want to unite in the truth where you receive purity, holiness, cleansing, you need to unite in Jesus.
That's the only name.
I pray for the entire Catholic Church. But let me tell you one thing.
The Orthodox world, they have their own problems. I call them the Pharisees.
And do you know what Pharisees are? Everything has to go under the microscope. They are so fanatics where it gets to a stage where they like you just suffocate.
I'll have to end this because honestly I'm very sad and I'm more sad that I'm speaking like this in public.
But I couldn't hold myself. I had to say it. How dare you bring a cross into the holy place with colors that are of satanic origin?
How dare you? How dare you?
At the time of the Lord Jesus, there was one nation that claimed to be worshiping the true divine God. And every other nation of the world worshiped the false god. And that was the Israelite nation. The Israelite nation were made out of three groups. Priests, Pharisees, scribes. These were the Israelite nation. These three groups were the Israelite nation who claimed to be worshiping the true divine God. And everyone else worshiped a false god. And the true divine God came in the flesh in the end of times. And guess what? Who crucified that true divine God? The very people who claimed to be worshiping the true divine God. The Pharisees, the priests, and the scribes crucified Christ.
And today there is one group that claims to be worshiping the true divine God. And everyone else worships a different false god. And that is the Christian world.
And what is the Christian world made out of? Three groups. Catholics, Orthodox, Protestant. What has changed? Only one thing. They didn't have cars back then. Now they have. They didn't have computers back then. There they have. They didn't have Wi-Fi. Now they have.

They didn't have tick tockwalk. They have it all now. That's what's changed. Humans haven't. And these three groups, no these three groups, these three groups, Catholics, Orthodox, Protestants who claim to be worshiping the true divine God, they are the very ones who are recrucifying Christ for living in division and going against one another. Nothing has changed. So the mustard seed became a tree. The first division in 1054 West Catholic East Orthodox. The second division was a kingdom. The kingdom of heaven is like a woman who took that yeast and hid it in three measures of door. Three three measures because in the 16th century another division happened. Martin Luther came out of the Catholic Church and the Protestant branch was born.
Do you want to have solution for all this mess? The Protestant need to go back to their roots. Catholic church. The Catholic needs to go back to their roots. The Eastern which is Orthodox. And all of the Orthodox come to me and Bob's your uncle. The pro came out in the 16th century. Well, I mean the reformation started before that but stamp sealed by Martin Luther and then abolished all the sacraments. The Lord says this is my body and my blood. Martin said no. The Lord says baptism is born again. It is a sacrament. He said no. The Lord said there is priesthood. He said no. The Lord said this. He said no. And then they come and say Jesus. Jesus. I just wonder which Jesus are you talking about? You've stripped him of every sacrament.
Then which Christ have you left? The Christians are in a mess.
Are in a mess. Why? Because they slept.
They chased the world. That's why when the church wants to be powerful with money, powerful with authority, powerful with wealth, powerful with fame. It becomes a worldly institution.
It is no longer the mystical body of Christ. It becomes a den of thieves.
And a den of thieves, that den is a place where lions, vicious lions, live.
We became vicious toward one another. For the sake of the throne, I killed my brother. I stepped on him so that I am supreme, not my brother.
Where is humility gone? Where is true divine love gone?
And this is the definition of God in the core of the true divine God. God is love and humility. If you want to know the definition of God, God is love and humility. Love and humility. The two pillars that carry the whole church is almost extinct, diminished, severely. True love missing, true humility missing. And we are still speaking in the name of Jesus. We went to sleep. The enemy sawed the tears lies and made the church believe in the lie.
And one of the biggest lies of the 21st century, the plemic.
Yeah. Don't ever say COVID 19 non-existent. Don't ever say corona virus non-existent. It was just a flu. Step on it in the name of Jesus Christ. And if you are worried you're going to die, well, we're all going to die one day, my dear friend. If I die, I die for the Lord. And if I live, I live for the Lord. If I die and I live, I am all for the Lord. Then nothing is lost. What are you afraid of?
A little tiny virus. This will kill you and kill your family. Scared of life. Biggest lie. Biggest lie. Biggest lie. and massive church leaders came and said to the flock go to the slaughter house because the church made money the new god money. I'll leave you with this.
I've said it before and I'll say it again. When St. Peter's Basilica was being opened, the whole world fled, flooded into that place. Flooded into that place. One of the cardinals said, "Pope,

Papa, please give me a permission to speak." He said, "Speak." He got up and he said, "Pope, with absolute, you know, head up and high up, I can say now with confidence, the day has gone is gone now where I say I have no gold nor silver to give you." Who was he referring to? Peter. Simon Peter whom they claim they are the seed of Simon Peter. This cardinal said to the pope, "The day where I say I have no gold nor silver, that day is gone. Pope, look at this basilica. It is all out of gold and silver. Look at the marbles. Look at the precious stones. Those days are gone. We are rich with material." Because when Simon Peter and John the beloved went up to the temple to pray, they found this paralytic man at the beautiful gate begging. Simon, Peter and John entered. Then Simon came back and looked at him and showed mercy and compassion toward him and he said, "I don't have neither gold nor silver to give you, but I have one thing and I'm giving it to you right now. In the name of Jesus Christ of Nazareth, get up and walk." And that man jumps and walks and praises God. This cardinal says, "The day is gone when I say I have no gold nor silver." He's referring to Peter. Poor thing.

You're not worthy to be that little toe of Peter. You fool.

Even though you're a cardinal, you're a fool. Then one other cardinal. Because the Lord always will have witnesses for himself. He will never leave himself without a witness. even if it's the last second.

Another cardinal puts his hand up says, "Pope, please permit me to speak and answer my brother." The pope gave him the permission. He said, "My dear brother and friend, you said the day is gone where I say I have no gold nor silver to give." But so sadly I say to you also, the day is gone where I can say in Jesus Christ of Nazareth's name, get up and walk. That day is also gone.

You chased money, you lost God. And when you lose God, what do you do? The living, you bury. But when you have God and you lose everything else, the dead you raise.

The church became weak because it chased material matters.

And when it chased material matters, Satan engulfed it. Because the ruler of the world material is Satan. Huh? You can't play with fire and say I don't I didn't get burned. You cannot. My son, my daughter, I beg you, don't chase the world. Don't imitate the world. Don't say I want to have fun. Don't say I want my freedom. Don't say I want to go out. Don't say I need to go with my friends. They going to the club. They going to the club. They going to Star City Casino. They going to Las Vegas. They going to Hawaii. They go on a holiday on the beach naked, half naked. Don't do that.

You belong to Jesus Christ of Nazareth. You don't belong to this sick, filthy world. You don't.

You don't. Have fun with the Lord. Be responsible, sensible, and within limits because the Lord does not accept you to be just an open wide gate. You need to walk through the narrow door. The narrow door is him.

Go out, but take the Lord with you. Dress up and cover the Lord. Don't take the Lord with you naked. My daughter, you represents the church, which is the body of Christ. Do you want to see the body of Christ naked? You are his body, my daughter.

Cover that body. Don't let the world see it. It doesn't belong to the world. It belongs to Christ. Live a life of holiness, purity, dignity. Why should you attract the wrong crowd to you, my daughter? Don't.

Do not, my son. Power is not in tattoos. Power is not in earrings here and everywhere. Power is not just in having muscles. Power in having the heart for Christ.
My son, if you're married, as a husband, you are responsible for your wife. And if you have children, you are responsible as a father for your family. Take your wife and the kids to Jesus Christ because Christ will ask that of you. You are the head of the household.
You are the one who Christ deals with. Christ doesn't deal with the wife, deals with the man. You know why? Because the wife represents the church. The man represents Christ. When God came to deal with any one of us, who did he deal with? Christ. Not all of us. Christ.
He deals with the man. He doesn't deal with the woman. Church.
And you know what happens to the women when she doesn't listen to the husband? Christ gets divided. Allows rainbows to come in. The wrong rainbows. when it doesn't listen to Jesus Christ.

End Times

Israel has been targeting the Houthi rebels for many months now, but this is the first time a member of the Houthi's leadership has been killed in any strikes. Israeli forces hitting other sites, including power stations and an area near the presidential compound in the capital, SA. That's in retaliation for Houthi missiles fired at Israel and what the group says is solidarity with Hamas and the people of Gaza.
And this is the world.
The problem of the world is one thing.
If that one thing is focused on, if that one thing is giving a medication to all other failures will seize. The world's problem is one thing. The I am of the world is too powerful.
Everybody wants to be seen. Everybody wants to be known. Everybody wants to be famous. They want to be in control, in charge. Why do you think all this evil happening in the world? because they want to rule, reign, and control these little puppets. Not realizing at the end they must die because everything under time is controlled by time. And whether they like it or not, time will take this temporal life away from me and you, my dear friend. So the end is the grave.
What are you fighting for? What are you trying to achieve? What are you trying to prove? Prove what? That you are a mortal being. Is that it? You want to conquer? What? The only place that's going to conquer you is the very land you're fighting to conquer.
You know, it's funny. You know, we fight for properties.
We fight to say this is my land. Well, that land in reality is nothing but a graveyard.
You see, when we take God out of the equation, everything makes no sense anymore.
And everything becomes nothing.
Everything becomes nothing when we face death.
The Israelites took gold and everything.
And God said, "Take gold with you from Egypt." God told him that because God wanted to teach him a huge lessons. He brought them into this place where they got stuck between two mountains and the sea in front of them and the and the enemy behind them coming. When they realized they are facing death, the Holy Bible says they dropped everything they had.

The gold became nothing. The very gold which they worship, the very gold which the world kills for became nothing.
when we face death.
But the world is struggling with this false god called me.
That's what the world is.
And the enemy is very very smart when it comes to using this me and taking you totally away from the true I am.
When you focus on yourself, when you rely on yourself, when you are boastful about yourself, the enemy engulfves. And when the enemy engulfves, he gives you absolute blindness.
You won't even realize your right hand from your left. Do not be shocked when certain people behave in a certain way.
They are blind because they followed the false god, me, instead of the true God, the true I am, Jesus Christ of Nazareth.
A humble person never retaliates an eye for an eye and a tooth for a tooth. A humble person waits for God's revenge.
God takes and God gives. God fights on your behalf.
When you're humble, they will go against you, but they can't overcome you. Because when God is with us, then who is against us?
If somebody asks you what is God and who is God but rather we stick to what is God in a very limited minute hum in human human intellect. I will say in a nutshell God is love and humility.
Before God is holy before God is the alpha and the omega. Before God anything is the light of the world. God in his nature is love and humility.
That is the definition of God in a nutshell. God is love and humility.
What is associated with love is knowledge.
But what is associated with humility is wisdom.
The issue is you can go to universities and and renowned universities and get your PhD. You can be a professor in whichever field you choose to be and you are a very intelligent young man and a young woman. However, all you have gained is knowledge.
Wisdom is only given by God. No one else.
It is only given by God, no one else.
But the issue is for God to give his wisdom, we must be humble.
Anybody goes to the Lord Jesus for the first time ever and says, "Lord, I really I started to like you, you know, and I'm really interested in following you, Lord. Now the the likening is reaching to a level where I started to love you now Lord and I really want to follow you Lord. Now you haven't even started walking in his way yet. You haven't you've just gone to him Lord I want to follow you. What does the Lord say before you even start following him?
He will say to you must carry my cross and follow me. Why is the Lord demanding for us to carry the cross? Because what is the cross? Death. And what is death in the biblical terminology? Selfdenial.
What is self-denial? Humility.
Humility. So the Lord says before you start following me, you must deny yourself. Why? Because there are two I ams.

One is the truth. The other one is the real. Now the one that is the real is fake because the real one changes all the time. You cannot trust what changes all the time. You can only trust and follow what never changes.
Humility, my beloveds, allows God to dwell in you and to work through you.
to dwell in you and to work through you.

Truth About Hell

King David says where he began Psalm 23 with the words, "The Lord is my shepherd." Now this Lord who is my shepherd, who is Jesus Christ of Nazareth, has restored my soul, has led me to the path of righteousness for his name's sake, since he is with me, even though Yay, though I walk through the valley of the shadow of death. Yay, though I walk through hell, I will fear no evil.
Yay, though I end up in hell, my shepherd, who is the Lord, who is Jesus Christ of Nazareth, even out of hell, he can still bring me out. For what is impossible to man is possible to God. God works in the impossible, not the possible.
So even when it's too late and I ended up being in hell, if I really still trusted the Lord, he will bring me out of that hell.
Never too late when you have Christ Jesus in your life.
Never too late.
Never too late, my beloved.
Hell is the place of Satan.
When you read in Matthew 25, gospel according to St. Matthew chapter 25 when the Lord talks about the 10 virgins, five wise and five unwise. The unwise came at the end where the door was already shut closed and they knocked.
And then the Lord says to them, "Go away from here, from me, all evildoers. I do not know who you are. Go to hell, a place prepared for Satan and his angels, foul spirits." So hell was made for Satan and the fallen angels that fell with him. Hell was never intended to be for no human being. God never wants no human being to go to hell. Why?
Because God created us all to be his children in the very first place. Why would God create us to be his children and then throw us in hell? Impossible.
God will never do that unless we insist on denying God. Unless we are too stubborn about it and we do not wish to come back from our sinful ways, we will end up in hell our way. It is not God's doing, it is our doings. And like one of the church fathers said, when people go to hell, before getting through the gate of hell, they'll see a sign on top of that gate saying, "This is a place where people denied God." Not God denied them.
They denied him.
So my beloveds, hell is where Satan is, his territory. King David says, "Even though I walk in the territory of Satan since the Lord is my shepherd, I will fear no evil." That's the continuation of verse four.
Yay. Though I walk through the valley of the shadow of death, I will fear no evil. What is evil here? Satan.
And the Lord's prayer where you find it in Matthew 6:9 and Luke 11:3. In the Lord's prayer,

what what did the Lord teach the disciples on how to pray? Our Father, who art in heaven, hallowed be your name, your kingdom come, your will be done on earth as it is in heaven. Give us today our daily bread. And forgive us our debts as we forgave our debtors. And lead us not into temptation, but deliver us from what?
The exact word.
Do not lead us into temptation but deliver us from evil. Who is evil here?
Satan. Because it is Satan who tempts humanity to try and make them fall into sin.
So yeah, though I walk through the valley of the shadow of death, i.e.
hell, I will fear no Satan. Evil I will fear no Satan.
The number one enemy to faith is fear.
The number one killer of faith is fear.
The moment a person starts fearing that means their faith has diminished or almost extinct.
Because if we had faith, why would we fear?
Because faith builds confidence and builds trust in the Lord who is my shepherd. And when you have confidence in the Lord and when you have trust in the Lord, you will fear nothing. But the moment that faith is shaken, the moment that faith becomes extremely extremely weak, the first thing that engulfs a human being is fear. They start fearing to the degree where they begin to fear their own shadow.
You walk and you look back. You walk and look behind you to see who is following you. And sometimes you get startled by own shadow.
Why are you chasing me? stop chasing me and you try and step on that shadow with no prevail.
So what King David is saying, yay, though I am in the core of Satan's territory, I will not fear him because Jesus Christ is with me.
My child, whatever you do, don't ever be afraid of anyone or anything.
We become afraid of I don't know what the future holds for me, for my family, especially my children, and with what all the evil that is happening in the world. I don't know what the future holds for my for my little angels.
I'm afraid I may not have a job tomorrow. or who's going to provide? I'm afraid the illness is going to take me away. Who's going to look after the family? I'm afraid the business is not going to do so well. I don't know how to manage. I'm afraid if I don't marry Rachel, I might end up killing myself.
It is either Rachel or nothing else. Get alive, my dear friend. There is plenty of other Rachel's awaiting you. She is not the last. Definitely.
I'm afraid.
What are you afraid for? King David says, "Don't ever be afraid of worldly things because I walked in the depth of hell, the shadow of death, the valley of the shadow of death. And even when I walked in the depth of hell, I feared no evil." Then why are you afraid of little things? I didn't fear the impossible.
Why are you being afraid of the possible?
I will say be afraid when there is no come back ever again to Christ and that is hell. But even when I was in hell, I never feed that I will never come back to Christ because I believed that he will get me out of that hell.
Then why are you afraid of things that are still possible by the human?

My goodness.
The most incredible I don't want to say feeling because feeling doesn't serve it right. The most incredible state of being is when you have let go of everything and placed it in the hand of the Lord Jesus.
There is no greater being in that situation than when you give when you have given everything to the one and only Jesus Christ of Nazareth. The moment you let go and when I say let go, I don't mean you don't care anymore. No, there is a letting go and there is a different letting go. There is a there is one letting go where you lose hope.
No, there is a letting go where you have full hope, confidence, trust, faith, and love in Jesus Christ of Nazareth. When you let go, having that faith, that confidence in the Lord, you will be the happiest ever human being to exist, the happiest.
Whatever it is, you need to trust the one and only. His name is Jesus Christ of Nazareth.
His name is Jesus Christ of Nazareth.
You need to trust this one. Let's move on. Yeah. Though I walk through the valley of the shadow of death, I will fear no evil.
Even though I'm walking through the valley of the shadow of death in hell, I'm still reading the signs because I'm walking. I'm not running. I'm not rushing to leave. I am taking my time before the Lord Jesus delivers me.
Incredible. You know, when you have this kind of a faith, it will move mountains.
And mountains, he is Satan. By the way, when the Lord says, if you had a faith like a mustard seed, a size of a mustard seed, you will say to this mountain to be to be plugged and be thrown into the deep into the deep, that mountain is referring is referred to Satan. So, even though I'm I'm in that in the depth of that hell, but I'm walking. I'm taking my time. I'm not rushing. Why?
Because the Lord is with me. In the most difficult time of my life and the day and when I hit rock bottom I am alone. I am useless, hopeless, disorientated, empty, numb, cold, miserable, you name it. But I am still walking.
Well, guess what?
On one side of walking is stopping and on the other side of walking is running.
Both of them are wrong and dangerous.
Don't ever stop. You know why? Because if you stop the Lord Jesus, who is the light of the world, he says it, I am the light of the world. Guess what? The light moves.
Never stops.
The light moves. So the Lord says, if you want to remain in my light, don't ever stop.
And if you want to understand my light, don't ever run.
You need to walk just like your master, your lord, your shepherd. The Lord is your shepherd who is the light of the world. He walks. He never runs. If you run, you're going to outrun him. You're going to be swallowed by Satan before you know it. You cannot walk before the Lord. You need to walk behind him because he is the shepherd and you are the sheep. The sheep can't walk before the shepherd. Always follows the shepherd. Otherwise, the sheep will lose. it's the its orientation it will lose it. So we need to walk my beloved in order to remain in the light and to read the signs thoroughly and clearly to understand where we heading next and what is happening in our life.
Yay. Though I walk through the valley of the shadow of death, I will fear no evil, no Satan.

Why I will fear no Satan or no evil? For you are with me. You my Lord are always with me. What did the Lord Jesus say as a promise to every faithful to every follower of the Lord Jesus? He says, "I will not leave you orphans." Don't ever say I'm alone. Don't ever say I am forgotten. Don't ever say I'm left behind. I will leave you. I will not leave you orphans. I am with you all the days of your life. All means all. Not 99.9999 of a percent. No, it is 100% without fail. Jesus Christ is with you every single day of your life and until the end of all ages, i.e. forever.
Do you have faith in this? Do you believe in him? Do you trust him? My beloved, if you do, you will not fear evil even if you are walking in that hell because the Lord is with you for you are with me.

Revelation

So the spirit which is the holy spirit and the bride say come and let him who hears say come. John is referring to himself. And let him who he who heard these words John the beloved. And who is hearing these words? Us the church the believers. Whoever he hears these words all of us we should say alongside with the Holy Spirit to Jesus Christ. Please come and come quickly because I need you desperately, Lord. I miss you desperately, Lord. I love you desperately, Lord. I can't live any longer without you, Lord. Please come and make it quick. And let him who thirsts come.
And let him who thirsts come. First here, my beloved symbolizes everything we lack and everything we need.
You see, when you are thirsty, what what does that mean? You are lacking water.
You are in need of water. So the word thirst here symbolizes everything we need and everything we lack. And the moment we lack things, we begin searching for them, looking for them. The Lord is saying, "What are you thirsting for? What are your thirsts?
Are you thirsty for love? Are you thirsty for money? Are you thirsty for fame? Are you thirsty for power? Are you thirsty to be seen, to be known?
Are you thirsty to read the Holy Bible more? Are you thirsty to go to the church more? Are you thirsty to be in everything that is to do with Christ more? Are you thirsty to know the Lord more? Are you thirsty to understand the Lord more? What are you thirsty for?
Whatever you are thirsty for, the Lord is saying, I am the only one that can quench your thirst. I'm the only one. When we become thirsty for certain things, and we start searching for them our way, seeking them our way, we will always remain thirsty, and we will die thirsty. Let's say I see power. I see fame. I see wealth. And I went after it. And I tried everything under the sun to gain that power, that fame and that wealth. And I did it. And I achieved it. But at the end, I died.
What did I do? Nothing. I died thirsty.
Because whatever I achieved, I was not able to take it with me. But when the Lord gives, when the Lord quenches, you will never thirst ever again.
And this is what the Lord Jesus said exactly to the Samaritan woman where we read this narrative in the Gospel according to St. John chapter 4. This Samaritan woman comes searching for water. And then she refers to the well that belonged to our father Jacob. The

Lord said, "You pull water out of this well, you will thirst again, but the water I give you, you will thirst no more because I will give you the living water." But the more you draw from this well, you will keep on being thirsty and you will keep on coming back. Because the water of the well comes from below. But the water I give Jesus Christ come from above. And whatever comes from above is everlasting. But whatever comes from below is only temporal. Is only temporal. Good for nothing. Good for nothing.
The Lord says, "Blessed is the soul that thirsts for me, I Jesus Christ of Nazareth. If you thirst for me, I will quench you forever." And that's why he continues and says, "Whoever desires, let him take the water of life freely because the water I give, as the Lord said to the Samaritan woman, I give you living waters." And what is the living water? My word. The Holy Bible. The Lord says, "Thirst for my word.
Thirst for my word. Read my word. Drink it. Absorb it. Let it go in every single fiber of your entire being. Let it quench every thirst that is in your entire being. Be equipped and embedded in my word. Because when you are embedded in my word, my word is the everlasting living waters. When you drink it, you will never ever thirst again. My word is the living water. And if you desire it, come and take it freely because I gave it to you for free. I did not charge you for it. I gave it when I sacrificed my life on the cross.
My word manifested and was made possible within to be within your own reach. When I died on the cross, I paid the price for it. and I gave it for free. But it took my life on the cross for you to receive it for free. Honor it, respect it, read it, and be familiar with my word. Cuz every time you fall into a mischief, every time you fall into some troublesome situations, recite my words and my words will quench your thirst and give you everlasting life. I will bring you out of your trouble if you trust and believe in every word that is uttered from my mouth. I Jesus Christ of Nazareth which is the mouth of God.
Verse 18. For I testify to everyone who hears. Who is testifying? The Lord. The Lord Jesus is talking. All this it is him. For I testify. And what is the testimony of the Lord here? Pay attention. very dangerous. Pay attention to the testimony of the Lord. He says, "For I testify to everyone who heeds the words of the prophecy of this book." And when the Lord is saying the prophecy of this book, he doesn't mean the book of Revelation only. He means the entire Holy Bible from cover to cover, from Genesis to Revelation. All of this book is my word and my word is prophecy to you. For I testify to everyone who heeds the words of the entire Holy Bible of the prophecy of this book. And this is the testimony of the Lord Jesus. If anyone adds to these things, God will add to him the plagues that are written in this book. And if anyone takes away from the words of the book of this prophecy, God shall take away his part from the book of life, from the holy city, and from the things which are written in this book. Very scary testimony.
And when the Lord is saying, I testify, meaning every word I said will come true. Every word is written is the truth. And every prophecy I prophesied will come into fruition. Nothing I said will go by unless it is fulfilled.
Heaven and earth shall pass by, but one dot and one letter from my word shall not pass by until it is all fulfilled. My beloveds, therefore, when I speak, you need to be very, very careful. When I speak, you need to be attentive. You need to adhere. You need to be submissive. Because if you add to my words, God God's wrath will come upon you. And if you subtract from my words, your name will be wiped from the book of life, from the holy

city, the heavenly Jerusalem, the kingdom of God, and from the prophecy of this very book. All the blessings I've I've given, all the blessings I promised, you will not receive if you subtract. But if you add to my words, the wrath of God will come upon you.
Now, here's a question to all of us. Who added to the word of God and who subtracted from the word of God? If you tell me, I'll cook you red rice. Assyrian baby who added to the word of God and who subtracted from the word of God? Two, one, our mother Eve. Second, Satan. Our mother Eve added to the word of God. Satan subtracted, took away from the word of God. Now when God came to Adam and said to Adam, "From the tree of the knowledge of good and evil, do not eat." God said to Adam, "From the tree of the knowledge of good and evil, do not eat." When our mother Eve was walking alone in the garden of Eden, Satan came in the form of a serpent and whispered in the ease of our mother Eve and said, "Did God truly say, don't eat from this tree?" She said, "Yes." God said don't eat don't touch of God said do not eat only God never said do not touch.
So where did he get this word from your own head? You add it to the word of God.
If you add to the word of God, the wrath of God will come upon you.
To every beloved daughter of mine, my beloved daughter, when the time comes to give birth, do you laugh?
Are you happy? Or are you screaming from pain and agony?
That's the wrath of God. You give birth with pain.
Could God have made birth be easy and with no pain? Yes. But you add it to the word of God.
Every word is said in this book is the truth. So don't take it lightly. Take it seriously because if you play with it, you will hurt yourself. Now we come to Satan. He subtracted from the word of God. Did he say now Satan is whispering in in Eve's ear? Did he did God really say if you eat from it you will die?
He said yes. He said trust me you will never die. You will not die. Trust me.
But you will you will know what is good and what is evil. That's what will happen to you. You will know what is good and what is evil. But you will not die. But God said if you eat you will die. Satan said, "You will not die." He subtracted from the word of God. The name of Satan was removed from the book of life, from the holy city, the kingdom of God, and from every prophecy and every blessing that is mentioned in this book. Satan will never make it to God's kingdom ever, ever again. He's dead forever. If you subtract, your name will be wiped from the book of life. Satan, who was an angel before, got wiped from heaven, from everything.
because he subtracted. So now my beloveds and everybody's hearing here don't add don't subtract when you come to talk about the Lord Jesus. And this is my out of love and humility I invite you all to come back to the apostolic church. Don't teach any foreign teachings. Don't teach any foreign teachings. When the Lord says this bread is my body and this wine is my blood, don't say it's not because every word the Lord says is the truth. If you add and subtract, if you add, the wrath of God will come upon you. If you subtract, your name will be wiped from the book of life. One thing about the Lord Jesus, he's got a beautiful sense of humor, but he never jokes.
He doesn't joke. He is always serious, but with a nice gesture because he's God. He can't joke. Everything is accounted for. And everything he is responsible for. Whatever he says, he is

now responsible for whatever he says, he is held liable for whatever he says. That's why God doesn't talk much. God is infinite until he talks. That's a bit of a philosophy there for you. God is infinite until he talks. Because the moment he talks, he is now limited to what he says in the sense of he must fulfill what he says. But until he speaks, he is infinite. The moment he speaks, he's limited to what he says because he must do it.
Otherwise, he's not God. So therefore, my beloved, God will never joke. God is always serious but has got a great sense of humor at the same time. Amazing in every way, in every form of shape. The Lord is so Satan, poor thing, he subtracted from the word of God. His name was wiped from heaven, from the book of life, from everything.
He who testifies to these things, surely I'm coming quickly.
He who testifies to these things says, "Surely I'm coming quickly." Who testifies to these things? The Lord Jesus. Since the Lord Jesus is the one who testifies to all these things, every word written in the entire Holy Bible, the Lord is testifying of. Since he is the one who's testifying, he's saying, "I'm coming quickly." I'm coming quickly. In verse 20 is the reply of the Lord Jesus to the Holy Spirit and the bride in verse 17. The spirit and the bride say, "Come." And the Lord in verse 20 says, "Since you asked me to come, I'm coming quickly. I'm coming quickly because my beloved, love is a two-way street. If love happens to be a one-way street is a selfish love. Therefore, it is fake. It is fake. Don't call this love anymore. It is a selfish love which is no love at all. True love, which is the only love in existence, the true love must be a two-way street.
If you don't long for the one you love, and if the one who loves you does not long to come quickly to see you, then it's not a genuine love. If you don't long for the one you love that you want him to come quickly, that's no love. And if the one who's coming doesn't come quickly, then that is no love either. See, it's got to come both ways. When I call the Lord and I say, "Lord, I need you desperately. Please come now." The Lord comes now.
because his love for me is genuine and he taught me how to love him back in a genuine way. Now the question is to all of us here my beloveds for all of us who is your love in this world in this life.
Some people might say Elizabeth John.
Some people might say my business. Some people might say my Ferrari. Some people say my looks, my wealth, my name, my fame.
What is your what is and who is your love?
As a Christian, we should have only one love and that is the Lord Jesus. And through the Lord, we love everyone else.
If you love anyone outside of the Lord Jesus is not a genuine love because there is no other source where love is found to be the truth except in Jesus Christ of Nazareth. He is the only source where love is genuine. So unless you go through that source through that channel through that way the love is fake. And since it's fake it will not last no matter what.
Everything will fade away and disappear.
Only one will remain forever. Jesus Christ of Nazareth, who is God revealed in the flesh, who happens to be love.
So when we are focused on the Lord Jesus, when we make him our true love, then I need to long for him. Lord, I miss you, Lord. I need you, Lord. I'm searching for you everywhere. Please come. Don't leave me alone.

I feel so lonely. I feel so alone when you go quiet on me, Lord Jesus.
I wanted to say something, but I don't want to scare you in a way. So, I'll put it in this way. Don't ever, and I'm saying it out of love and humility. Don't ever put anything nor anyone before the Lord Jesus. Don't ever do that. If you do that, you will lose that thing.
Guaranteed. I'll say it again. Don't ever put anything nor anyone before the Lord Jesus. And if you do that and insist on it, you will lose that thing that you put before the Lord. You know why?
Because the Lord naturally is number one. He doesn't need to work for it. He doesn't need to beg for it. He doesn't need to make it happen. It just naturally is.
He will always be the first and the last. He will always be the alpha and the omega. He will always be the beginning and the end. You put anyone before the beginning, one work. You put anyone before the alpha, one work. You put be anyone before the first, there is no one before the first because the first comes naturally first. The A comes naturally first and the beginning comes naturally first.
One word. Actually, I'll say it. Our father Abraham learned this lesson the hard way.
Learned this very lesson the hard way thousands of years ago. What was the lesson? God came to our father Abraham. His name was Abraham. You see, when you go back to the original text, Hebrew or Syriak Aramaic, you'll understand the meaning of the name and the component of the name. you'll understand it much more clearer than when you read it in English or in Arabic or in any other language because that's how it was in the original text. So when you go to our father Abraham who was Abraham at the time when he was still in Babylon, Mesopotamia, Iraq, where I come from.
Hello Habibi. Hello. So Abraham comes from where I come.
Hello. Hello. Hello.
God went to Abram, Abram, and he said, "Get up, leave your family, leave your country, leave your home, town, and come and follow me. I will lead you. I'll take you to the land where it brings forth honey and milk, milk and honey.
I'll bring you to the promised land." Abraham got up, believed in the voice he heard. He believed in he in just hearing the voice. He trusted that this voice is of God's. But what was Abraham's mistake? He went to his dad. He said, "Dad, I heard a voice the other day, and I believe it's the voice of God, the true living God. And he said to me, "Leave your home, leave your family, and leave your land, leave your country, and follow me. I'll take you to the promised land." So, Dad, I came to tell you I'm going to leave, but I couldn't leave without letting you know. Would you like to come with me, Dad? And dad said, "That's what a son, a true son is all about. Well done, son. Look how much you love your dad. Good on your mate." Tiptop on. Thank you, son, for letting me know.
Let's go. And then Abraham adds to it. He said, "Dad, how about Loot?
Your brother's son?" Oh, sorry. How about Loot? My nephew, Abraham, your grandchild.
So Loot was Abraham's nephew.
He said, "Dad, we can't leave Loot." Why? Because his father died. So Abraham's brother was dead at the time.
So his dad died and he's now alone. If we leave him, he's going to be an orphan. No father, no mother. I don't have a son. Abraham was married. I don't have a son. So I'll make him my son. I'll adopt him as my own son. There's no difference between an uncle and a father. The

blood is too close. No difference. I'm his uncle. Therefore, I'm his father. Since his father, biological father, is dead. Then I become his father. Abraham's father said, "Now I love you twice more." He leaves with his family, with his dad, with his nephew, and they go. The Lord God said to Abraham, "Get up and follow me." He took 70 families with him.
They come to a place on the border of Jordan and Israel.
God makes Abraham and all his family to stay in that place for 15 years.
They did not move because God did not order him. But God was going to take him to the promised land. That was not definitely the promised land, wasn't? But God made him stay 15 years. You know why? Because God waited for Abraham's dad to die and be buried. When the moment Abraham's Abraham's father died and was buried in that place, the second day God came to Abraham and said move, come now after 15 years. And then they went to another place. And then Abraham's had his own shepherds and his own flock. Lord has it had his own shepherds and his own flock.
And one day the flock of Abraham and the flock of Lord mixed together and the shepherds started fighting against each other saying this is my land. This is my land. This is my territory. This is my territory. Abraham came to Lord and he said look we are family. We should never let strangers come between us and separate us. And this is a signal to all of us. Don't ever let strangers come between family members and separate them. My son, don't ever let your friends separate you from your brother and your sister. My daughter, don't ever let your friends separate you from your dad, from your mom, from your siblings because they are strangers when it comes to your own family. Don't ever do that.
Family comes first. So Abraham called Lot being the uncle, the oldest, he said, "Look, we are family. Don't let strangers come between us. Therefore, I'll give you Lord the first preference. Look around and choose a land and God be with you. Lord looked around and he his eyes fell on this green lush land.
Waters, rivers of waters gushing through it. He said, "This land is going to be good for me, for my family, and for my flock." He goes there and it ended up being Sodom and Gomera. LGBTQ RST vis Sodom and Gomorra Lot got separated from Abraham. It was then and then only God took Abraham to the promised land.
But it took many years would have taken a few weeks for Abraham to get to the promised land. It took years and years. Why? Because Abraham did not adhere fully to the voice of God when he said to him, "You Abraham, follow me. Don't bring me the family. You put dad before me, I'll take him. You put your nephew before me, I'll take him. You put anyone before me, I'll take. Until you make me, I God the first and the last in your life.
You put God first, he will give you everything, family and everything the family needs. It's not that God has taken the family when you are putting that family before him. No, but the protection, the blessings are gone. You cannot protect your family as a man without God. So you need him first in order to protect you. If you put yourself before him, the Lord says, "Well, I'm not the protector you are. So, I'll leave you to it and let me see what you're going to do." Before you blink your eyes, my son, Satan would have devoured you and your family with you.
Only one who overcame Satan is Jesus Christ of Nazareth. Period. You can't fight unless you are embedded in Christ. And to be embedded, put him first always. you can't do it, ask for his help. Lord, I'm weak. Please give me the the the strength, the wisdom, the courage, the grace,

the give me give me give me whatever I need so I can always make you first Lord and I be last. You you lead, I follow, Lord Jesus.
So, and he's saying, he who testifies to these things says, surely I'm coming quickly. Why is the Lord Jesus coming quickly? Because he loves us. He is the heavenly groom. And he cannot wait to be with his beloved bride, which is the church. Husband and wife.
If you love one another through Christ, no one can separate you. No one.
Family, if you love the Lord and love one another through the Lord, that family will stand forever. church from the leaders to the faithfuls all put together. If they love the Lord Jesus, nothing can break the church and divide it. Nothing. Because when Christ is the captain of the ship, it will never sink. It will never sink. No matter how vast the ocean is, but the captain is the creator of the ocean. He can rebuke the ocean and puts it to calmness.
We're coming to an end.
Amen. Even so, come Lord Jesus. And whoever he is this says, "Amen." Please come, Lord Jesus. We need you, Lord, because the 21st century is walked away from you, Lord. We need you, Lord, because the world is in turmoil. The world is blind. The world is deaf. The world is dead. The world is dark. The world is evil. The church is divided. Lord Jesus, if there has been a time that we needed you the most, it is today the 21st century. Lord, please come quickly.
Church leaders going against each other, family going against each other. Everywhere there is trouble, there is war, there is bloodshed. People have lost the plot. The day they lost sight of you, Lord, they lost themselves totally.
We need you, Lord. Come quickly and put an end to this pain, to this pain, to this chaos, to this lostness for an end, Lord.
Amen. So come Lord Jesus, we need you.
Verse 21 and we'll finish it off. The grace of our Lord Jesus Christ be with you all. Amen. The grace of our Lord Jesus Christ be with you all. All who is saying this? The Lord gave us this grace and this grace is him. He is saying I want to be with you all. Why?
because I love you and that's why I died for you on the cross. Death of the cross is the ultimate illustration of true love. When you love someone more than yourself, you will put your life for them. Because their life is much more precious than to your own life, to your own self. That's why Jesus died for us because he saw our life was more priceless and precious than his own life. This is why he died. The one who died for us, the one who was buried for us, and the one who rose from the dead on the third day, triumphant forever and ever more, living forever more, the true living Messiah forever more is saying, "I want to be with you. I am the grace sent by God to all of you. I want to be with you all because I love you all. I don't differentiate. I don't have favorites. Every single one of you is number one in my eyes. You all come first. There is no first, second, third.
There is all first. It is the church of the firstborn.
It is the church of the firstborn. So when Simon Peter was baptized first and somebody is born today after 2,000 and odd years and is baptized now, Simon is one and this baby baptized today is one. Number one equal.
This is the Lord's love for everyone. All of you are number one.
That's why I will never lose none of you. I'll fight for every single one of you equally. I will fight.

Sick World

It's about being your true authentic self. We got great people, we got great city, they just great people. We love it over.

Here in which American schools and libraries even invite drag queens to educate children, it's a sick world. I am begging in every young man and woman, every father and mother, every grandfather and every grandmother, from young to old, all, all people. Nowadays people are saying, we know what we are doing. Those days, the olden days, have gone by many, many years ago. They're all gone. Dead. Dad, Mom, this is the Western world, this is Australia, this is America, this is Europe. This is the 21st century human being. Stop talking about yourself when you were living in that little village in the north of Lebanon or Syria or Iraq or some other country, in that little village. Those days are gone. You were illiterate, you have no idea what life is all about. You cannot tell me what to do or what to say. Stick to your own old-fashioned way and leave me be. I'm an Aussie of the 21st century. I know what I'm doing. I finished uni. Mom, can you read and write? No. I am a doctor, I am a scientist, I'm a professor, I'm this, I'm that. You are blind, my child, blind.
Maybe they did not know how to read and write. Maybe to you and the rest of the world they were illiterate people not knowing anything. But I can tell you one thing: they knew God. You have denied Him with your knowledge. They raised a family for God. They raised a family with fearing the Lord, with morals, with values, with principles. They raised a family that knew what humanity is all about and how to respect your fellow man. Today people, with their knowledge, with their advancement, are living like vicious animals. Deliberately they have infiltrated the educational system. Deliberately they have infiltrated the medical field. Deliberately they have infiltrated every aspect of life to gain and achieve one thing: to make people Godless. No more God. The person becomes God. This is the core of ignorance and foolishness is.

Recognize Satans Attack Before It Happens

Two things or three things we learn when it comes to being tempted. Number one, the devil comes to us at our weakest moment, because the devil came to the Lord Jesus after the 40 days, when he fasted for 40 days and 40 nights, and he was hungry. Then the Holy Bible says the devil came and tempted him. So the tempter will come to every single one who follows in the footprints of the Lord Jesus at their weakest moment. And we said when you are seeing yourself just sinking, don't remain in that dark room alone. Run away from there, wash your face, say a prayer, and have hope in Christ, the one who died and rose from the dead for you and for all of us.
Number two, we do not respond or reply to the devil with our own thoughts, but with what is written, because the Lord Jesus himself, when he came to replying to the devil, he never said, I think. He said, but it is written. Also, it is written. Every time the Lord replied to Satan with the written word. Meaning, if you want to overcome Satan and his deceptive and cunning ways, be embedded in the Holy Bible. Be familiar with the word of God. Don't leave the

book on the shelf. Don't leave this holy book closed. Start reading the Holy Book even if you don't understand it. Some people say, I don't read because I don't understand, Bishop. It's not about understanding initially, it's about reading the Holy Bible. Just read it for the Lord's sake, because the word on its own can help you and save you and give you the wisdom to overcome any and every Satan's or the devil's, you know, temptations.
And thirdly, we also learned one thing about Satan: he is patient. He is patient. So he'll come and tempt, and he may not win; he will come back again. He never gives up, that cheeky, sneaky little liar. Yes, I got help here. That little liar, he does not give up. He is very patient. So if you want to learn something from Satan—I'm not saying go and learn from him—but if there is one thing you want to learn from the scriptures, he is very patient. He's very patient, and we see that.
You see, when he did not win with the Lord Jesus with the first temptation, when he said to the Lord, if you are the Son of God, say to these stones to be bread, the Lord replied and overcame Satan. Satan didn't give up and say, oh, I'm not winning with this man, I better leave him alone. No. He said he heard the Lord saying it is written, it is not by bread alone a man shall live, but by every word that proceeds from the mouth of God. Satan heard the Lord saying it is written. He said, well, very true, since I don't give up easily, well, since you, Jesus, say it is written, then I'll come to another temptation from the written book, and I'm going to tempt you. I don't give up.
And the second one was: then the devil took him up into the holy city, set him on the pinnacle or on the edge of the temple, and said to him, if you are the Son of God, throw yourself down, for it is written. Ah, wow. So Jesus, you say it's written, fine. Okay, leave the bread alone and the stone alone, I'm not winning in that aspect. I'm going to come to another written aspect, because I'll say to you now, Jesus, it is written. What is written? He shall give his angels charge over you, and in their hands they shall bear you up, lest you dash your foot against a stone. Satan is quoting biblical references. That means he knows the Holy Bible from cover to cover. Isn't it a shame we don't know the Bible? Satan knows it. We belong to Christ, he doesn't, yet he knows what's in the Bible, and we, the children of Christ, we don't know what is written in the Bible. You need to put Satan to shame and start reading the Holy Bible thoroughly, thoroughly, my beloved. Start reading it, please. But one thing with Satan, he will never give up on his deceptive and lying way of thinking and talking. He'll never give up on that.

You see, Satan quoted, he shall give his angels charge over you, and in their hands they shall bear you up lest you dash your foot against the stone. Where did Satan get this from? Psalm 91. Wow, Psalm 91. And by the way, Psalm 91, if you read that every day, you'll have Satan under your foot in Jesus' mighty name. Psalm 91 is one of the most powerful, powerful Psalms to overcome Satan's attacks. Psalm 91. Satan quotes from Psalm 91, and it is verses 11–13. However, the little sneaky Satan leaves few words out. He doesn't quote the whole verses. Isn't he cunning and deceptive? My goodness. Look at this.
Psalm 91:1, look what it says: for he shall give his angels charge over you. Satan quotes half the verse, and he leaves the other half alone. Why? Because the other half is against him. What a sneaky one. If you are not familiar with the Holy Bible, Satan can play with your head even through the Holy Bible. And isn't Satan doing that with some people calling

themselves Christians, but they are not teaching the truth? Satan has entered and falsified the truth. Amazing, amazing how sneaky he is. For he shall give his angels charge over you: half the truth. What is the other half of the truth, Satan, which you kept silent? To keep you in all your ways. Ah, so the Lord will keep Jesus in all his ways. If Satan had quoted the entire verse, that meant Satan would have lost straight away, because the Lord keeps Jesus in all his ways, meaning he protects Jesus in all his ways. But Satan didn't say that because it's against him.
And then, in their hands they shall bear you up lest you dash your foot against a stone. That's quoted, but not the whole truth. What is the whole truth? Continue. This is about Jesus Christ. When he comes, what will he do? You shall tread upon the lion and the cobra. Who is the lion and the cobra? Satan. You shall tread. When Jesus comes, he will step on the lion and on the cobra, on Satan. And what else? The young lion and the serpent you shall trample underfoot. Satan didn't quote that because it's all against him. Wow. The Lord shall give his angels over you. The Lord shall give—what is it?—shall give his angels charge over you, shall give his angels charge over you, if others throw you down, not you throw yourself down. See? So Satan is coming in a very sneaky way because he is what? He's a cobra snake. In a twisted way he said, throw yourself down. No. The Lord will send his angels to your rescue if others throw you down, not you by yourself, because if you do it yourself, you are testing the Lord. And this is why the Lord Jesus replied and said, it is written again, you shall not tempt the Lord your God. Satan, I know your sneaky ways. Throw yourself down? No, no, no. The Lord will only come to my rescue if others come and hurt me. But for me to hurt myself by myself, then I am putting the Lord to the test. Don't ever tempt the Lord. See how sneaky he is?
Third temptation: again, the devil took him up on an exceedingly high mountain and showed him all the kingdoms of the world and their glory. And he said to him, all these things I will give you if you will fall down and worship me. Then Jesus said to him, away with you, Satan, for it is written, you shall worship the Lord your God and him only you shall serve.
But do you notice one thing here? Maybe not. When Satan said, I'll give you the kingdoms of the world and all their glories if you bow down and worship me, the Lord, before quoting the biblical reference, before quoting it, he says to Satan, away with you, Satan. Go away. Then the Lord quotes, you shall worship the Lord your God and him only you shall serve. Why? If the Lord had quoted the verse without saying to Satan, away with you, prior to it, he would have brought back Satan into worshiping God. He said, go away now, because this verse is not for you. It's for my children. The day you challenged me in heaven, you lost that position. You can never come back to worshiping me again. So be gone, Satan. Now it is written, you shall worship the Lord your God and him only you shall serve.

Worshiping and serving God is no longer for Satan. It is no longer available. It is only available to mankind, and this is why Satan is attacking mankind. He is saying, since I will never be able to go back and worship God again, I will do my absolute best to make sure no human being worships the true divine God again. The way I lost, I want them to lose that privilege and that blessing. That's why Satan attacks you, because he wants to get to one point: take you away from God.

The three temptations: first one to do with the body, second one to do with the spirit, third one to do with the soul. If you are the Son of God, say to these stones to be bread—that's to do with the body. And what is the attack against the body? Lust. Lust. And what is the cure the Lord is providing for the temptation of the body? Fasting. Fasting is the medication to overcome lust. Why? Because when you fast, you are weakening the body, you are breaking the body. When you are broken in the body, you're not going to go downtown anymore, baby. Imagine this: when we're healthy and wealthy, we can do anything and everything. We can go anywhere we wish because I have the health and I have the wealth. But imagine an illness comes and breaks me down, and I am bedridden. Are you going to go to those places that you were going before? No. Are you going to talk the way you spoke before? No. What are you going to say? Lord, please, I beg you, I don't want nothing from this world and from this life. Just give me good health. Give me back my health, Lord. I promise you, Lord, I will never ever be naughty again. The Lord gives me the health, and I go back to my naughty ways again. He comes and breaks me again. My beloveds, naughty, naughty.

So now the flesh, the body—lust is the enemy. The Lord says fast. Now, what is the enemy of the spirit? The second temptation: he took him up on the pinnacle of the temple, a high place. When someone stands on a high place, they feel good about themselves. Woo, everybody's looking up to me, everybody is focusing on me. I am the center of attention. Wow, I am someone special. My head becomes a big hot air balloon. False pride. Pride is the enemy of the spirit. And what is the cure for the pride? Prayer. The Lord says pray to overcome the pride of the spirit. Fasting brings the head of the flesh to the ground. Prayer brings the head of the spirit to the ground.

And the third one, the soul. What is the weakness of the soul? Greed. Can you please give me $5? I'm hungry, I don't have. This person has millions, not a cent out of that person comes. Greed attacks the soul. Poor soul, lives, dwells in wealth and possessions, loves wealth, loves possessions. This is my house, this is my car, this is my money, this is my throne, and nobody touches it. I am the bishop in charge, and whatever I say goes. Relax, soul. Nothing is yours. When death comes, death will take away everything you think you've ever had. Nothing is yours.

Give. Cheerful is the hand that gives. Cheerful is the hand that gives. Why are you afraid? Why are you so greedy? It's not yours. You have billions in the bank account. Well, when are you going to eat it all? When you go out to have breakfast, lunch, and dinner, how much are you going to eat? When you want to travel, how much are you going to travel? How long are you going to be traveling? You got this Ferrari and that Lamborghini and this Mercedes-Benz and that Rolls-Royce and whatever, and you've got mansions and properties and everything. And when I sit at home alone, I look at myself and there is a big emptiness, void from within. I had fun to the fullest, but at the end I am empty. You know why? Because you enjoyed life outside of the Creator. And his name is Jesus Christ of Nazareth.

The only one that fills you up from within, the only one that gives you the virtue of contentment, is God, and his name is Jesus. He's the only one. The more you give, the Lord will give you more. And the only time you'll be happy is when you help, not when you take. When you give, my son and my daughter, that is the only time you enjoy true happiness. Why? Because you are imitating your Christ on earth. And the only happiness that you will ever receive that is absolutely genuine is when you put a smile on the Lord's face.

Rather Die

Pray for the church leaders. Keep them in your prayers. I'm one of them, and I'm the weakest and the least of all. But pray for all church leaders for the Lord to touch the heart, to enlighten it, to make us realize where the truth is, and to speak boldly with no hesitation, with no fear. Because if you've got the Lord, whatever you got to lose? Nothing. What are you afraid of? Being killed? Hallelujah. Death will be the vehicle to take me to the love of my life. I'd rather go now, not even wait a second in this filthy world, ugly world, deceptive world, world of destruction, world of immorality, lost touch of human dignity, because the moment you lose touch of the true divine God, you are no longer the human which God created you to be. I'm only human when God rules over my life. The moment God isn't, I am not a human. I'm acting outside of humanity. That's why it looks so odd and weird. And the funny thing is, when you speak the truth, the lie, darkness says, are you okay?

Look after your children. Husband and wife, parents, teach them the love of Christ. And if that principle, and if that school—I don't care which one it is—if that principal or that school comes and says, we will teach your child poison, call me. I have a special, a special phone. I dial into the heaven with that special phone. One phone call, they'll get a slap they'll never forget.

Jesus Christ is the only truth, and Jesus Christ got nothing to do with Christians. You can call yourself Catholic, you can call yourself Orthodox, you can call yourself Protestant, whatever. Jesus Christ will say, who you're speaking to? God? As a Catholic? If you believe in Jesus Christ, then he will know you. As an Orthodox? If you believe in Jesus Christ, then he will know you. Just by being Catholic, Orthodox, and whatever, and you say I belong to you, he'll say, I don't know who you are. I don't know who you are. Jesus Christ is God. He's not Catholic, he's not Orthodox. Let us not put these names on him. He's God. He wants your heart, and he will do the rest. He will teach you and show you himself. You cannot find him, you cannot know him. He needs to do it for you; otherwise it is impossible.

So many saints came from the Orthodoxy branch and Catholicism. What do you think? Well, each one says, I've got the truth. Well, if you've got the truth, then that means the other side does not have the truth, because it's either you or the other side. So which one is it? But we can see through the Catholic Church saints were born, and through the Orthodox Church saints were born. So what? Which one? If the Orthodox claim they hold the truth, then there should never ever have been any saint coming out of the Catholic Church. And if the Catholic Church holds the truth, there should never ever have been a saint coming from the Orthodox branch of Christendom. But we can see from all branches saints are coming. It's telling you one thing: the truth is Christ, not the church. The church is the body; Christ is the head. Who holds the truth? Christ, who is the head. What is the church? The body attached to the head. So what can the church do? All it can do, by the grace of the head, Christ, is take gradually from the truth and learn that truth. The church does not hold the whole truth. The whole truth is Christ, God himself. We learn from the truth, we take from the truth, and the more you give your heart to the truth, the more the truth will fill you with himself. Find the Lord in your heart. Fill that empty space endless with the endless infinite God.

Don´t Make Deals With Satan

Ahab, who was the king of Israel, Jewish, from the tribe of Ephraim—he was a Jew from the tribe of Ephraim, a king of Israel—he went to meet the king of Sidon. Sidon is in the south of Lebanon. It is Lebanon now. Sidon, Ty, and Sidon at that time, their god was the Baal, B-A-A-L. Now, the Baal in the Holy Bible represents Satan. So the people of Sidon and Tyad used to worship Satan literally.
So the king of Israel, Ahab, goes to meet the king of Sidon, and then he sees the daughter of the king walking by. He falls in love with her. He is an Israeli, he is a Jew from the tribe of Ephraim. He meets a pagan, a worshipper of Satan, Baal, a totally ungodly woman. But she was beautiful, and he says, I want to marry her. The king says, let me call my daughter. Daughter, come here. This king wants to marry you; what do you say? She said to Ahab, she said, listen, I'll marry you on one condition: you stay to your own religion, and you leave me to my own religion.

Mixed marriages of different religions is a big no-no. That's what the Holy Bible says, not me. So now she said, I'll marry you on one condition: you leave me to my own religion, free. He said, no problems, you got it. I'll do anything. I just want to marry you. You are too beautiful. I fell in love with you.
He married her. He took her with him to his kingdom, Israel. She said, I want you to build me a temple—a temple for Satan. He said, I'll build it next to the citadel where you live, so it'll be easy access to you. She said, I'll bring 400 prophets of the Baal with me from Sidon to Israel. You'll need to let me bring 400 and 450 priests that worship Baal. He said, anything for you.
They got married, they went, he built her one temple. After a short while, the one temple became over a thousand temples in all of Israel. You make deals with Satan, he'll begin with the little thing, and then at the end he will take everything. Don't make deals because later on you will not be able to withstand them and handle them. They will be too much for you. You're gone. Ahab made a mistake by bringing this woman who worshiped Satan. Just because she is good-looking, that does not mean she is good for you.
Jezebel was very sneaky because she worshiped Satan, so Satan is going to teach her all the deceitful ways. There was a guy that had a block of land next to the king's land. He wanted to expand on his land, and that guy, poor thing, his name was Noo the Jezreelite. Noo the Jezreelite. So he went to him; King Ahab went to him. He said, look, I want to increase my property. I'm going to offer you something—good money—just sell me your land. Noo said, no, sorry, this is my ancestors' land. There is a lot of heritage here, there is a lot of history. It's not for sale.
He tried every way, couldn't. He came back home, the king, very sad because Noo did not sell the land. So the wife Jezebel saw her husband very sad. She said, what's wrong? He said, well, Noo is not selling his land to me. She said, ah, is that all? Don't worry, leave it to me, I'll fix him for you.
So she read the Torah. She read the Jewish faith because she wants to be familiar with her husband's religion to find certain loopholes where she can come through and destroy her

husband's nation. Satan. So she found in the book of Deuteronomy that if a man, a Jewish, an Israelite man—if an Israelite man swears against God and the king of that nation, that man must be stoned to death. She said, I got it.
She called people from the town of Noo. She paid them money, and she said, I want you to be false witnesses. Come and say, King, this man swore against Yahweh and swore against you. She said, call a fasting for three days. For three days they fasted. After the three days she brought those false witnesses, and they, and the king, called Noo. And the witnesses said, yes, yes, King, we saw him, we heard him swearing at Yahweh and swearing at you.
They took him out. They dug a big hole. They put him in the hole, and they stoned him to death, him and his children, his sons. They killed them all. The wife came and said, habibi husband, the guy is dead. You're going to take the property for free. It's yours.
And as they were talking, the prophet Elijah came and confronted Ahab and he said, Ahab, this is the word of the Lord to you and your evil wife. The dogs that licked the blood of Noo and his sons, the same dogs will lick your blood and your wife's. And both were killed that day.

Hell Walked Beside Him

Verse 7. When he opened the fourth seal, I heard the voice of the fourth living creature saying, "Come and see." So I looked, and behold, a pale horse, and the name of him who sat on it was death, and Hades followed him, and power was given to them over a fourth of the earth, one quarter, to kill with sword, and hung with hunger, with death, and by the beast of the earth. The fourth seal was opened. A pale horse came out and the one who was sitting on it was death itself.
Now this is a very controversial topic.
Shall I say it? Yes. For the truth must be said.
The fourth seal when the first one white horse peace.
Second seal red horse martyrdom persecution on Christians. Third horse, black heresy. After heresy came the fourth horse, pale horse Islam, pale horse. When you go to the original text, it talks about the green color, but it's a pale green. Now, when you read the Holy Bible, when it talks about lush green, lush green represents life.
The Lord Jesus said, "If they had done to the green wood this, what are they going to do to the dry wood?" Meaning us, we are the dry wood. He is the green wood. What is the green wood? Green is the sign of life. When you see a green tree, you say this tree is alive, is living. When you see a dry dead tree, there is no sign of life. You say this is a dead tree. True or not? But when you see green, green leaves, fruits, this is the sign of being alive. Dry is dead. Now the wage of sin is death. A dry branch is us humans. We sin. And because we sin, the wage of that sin is death. And death made us dry wood. What do you do with a dry wood? You throw it into the fire and you burn it. It goes to hell. But Jesus is the only wood that is green. Meaning he is the only human being on the face of this earth that is sinless.
Jesus never sinned neither with thought nor with deed. Every human being sinned except Jesus Christ. That's why he is the evergreen tree. meaning the everliving Jesus, the sinless Jesus, the holy of holies. This horse is imitating the green color, but it's a fake one. It's pale.

You with me?
Oh, Khabibi, this is not me saying, this is Islam saying, not me.
And by the way, with all my love and respect for the Muslim people, I don't have a problem with the Muslim people, but I've got a question mark with the faith of the Islamic world.
Now, the fourth seal, a pale green pale.
You look at Saudi Arabia's flag, it's green.
And what's on it? Two swords.
The one who was sitting on the on this pale horse was death.
Now, which living creature spoke? The fourth one. Now, which is the fourth one? The eagle.
The flying eagle symbolizing this symbol is to which gospel? John the beloved. Oh, how how stunning the holy bible is structured.
In relation to the fourth seal, the pale horse came, the false green trying to imitate the true green who is Jesus.
Now the word Joseph means the green one.
Now our our father Joseph in the Old Testament who was sold by his brothers, he symbolized Jesus Christ who is the true Joseph because he is the only true green branch. So Jesus is the true Joseph.
He is the evergreen. So now this pale horse is trying to imitate the original green. He is trying to imitate Christ in his divinity. But he is now pale going against the true green.
And the one who sets on it is death itself. The living creature that spoke the flying eagle. The gospel of St.
John. Now what is this gospel of St.
John all about? St. John is introducing Jesus Christ to the entire world as the true divine God and he is the son of God. You go to the Islamic faith. I need to cut it short. You go to the Islamic faith, they will tell you two things or they will deny two things about Jesus Christ.
Number one, he cannot be the son of God because that's a blasphemy. God cannot have a son. You are blaspheming.
That's the Islamic faith, not me. And secondly, Jesus was never crucified, but it was shown to them as if it was Jesus.
In fact, they say God put Judas is scariot on the cross instead of Jesus.
Judas's scariot.
Islam came in 635 AD. The gospel of John was written around 100 AD. So 535 years came after the gospel of John.
John is an eyewitness. My dear Muhammad, John is an eyewitness. He lived with Jesus. He walked with Jesus. He saw Jesus' wonders and miracles and he documented it fresh.
Fresh.
So, you're telling me that now I need to believe in someone coming six centuries or seven centuries after the Holy Bible was documented? You want me to believe in a document that came seven centuries after the Holy Bible? You want me to believe in someone that never saw Jesus, never lived with Jesus, never walked with Jesus over the one who walked, lived, ate, embraced Jesus Christ every single day for 3 years and 4 months.
Where is the logic?
The one who was with the Lord said, "This is God. This is the son of God.
This is God himself. He was crucified.

He was buried. And I saw him risen after the burial.
Muhammad came in 635 and he said he is not the son of God. He is just a prophet. He was never crucified. In fact, Judas's Scariot was placed by God to deceive the Jews.
Pale green.
They come.
They accept Jesus.
but as a prophet only. They accept Jesus not crucified. They accept Jesus not as the son of God. They accept Jesus definitely not God. So what have you left with Jesus name? You take the cross away. You take the son of God away from him and you take the divine from him. He's a prophet.
Prophet for what?
Those who wrote the Holy Bible, both Old and New Testament, are over 40 writers.
It took a time frame of about 1,600 years to write the entire Holy Bible.
1,600 years to write the entire Holy Bible.
The entire authors, the entire writers, I should say, the entire writers, different level of education, different background, different times, different countries, all of them wrote the same thing.
that Jesus Christ is the one and only.
He is the savior. He is the Messiah, meaning God. And he was crucified. And he's going to rise from the dead. And he whoever accepts him shall be saved forever. And 12 apostles, they hugged him every day. They walked with him. They lived with him. They documented everything that they saw.
You want me to deny all this and believe in someone that came six centuries later?
Did you know the Quran was written 200 years after Muhammad?
I'm not talking about I'm not attacking but I'm just quoting what they say.
Um, by the way, in there in the Islamic book, his name is As Isa.
Isa in Arabic derives from the Greek word isos, which is Jesus, which is Yeshua in Hebrew, which is is in Aramaic. So Isa in Arabic was is taken from the Greek word isos Jesus Yeshua. But that Isa in the Quran is not the Jesus of the Bible. They've got nothing to do with one another. Please nothing to do with it. Totally different Jesus altogether. And Mary in the Quran, nothing to do with the Holy Mother of the Bible. Absolutely none. In fact, looks like they've got a a historical um a time frame you know mistake because Mary in the Quran is referred to as the sister of Aaron.
Who is Aaron? The brother of Moses.
They say she is the sister of Aaron.
Do you know the diff the time difference between Aaron and Mary?
1500 to,600 years. How can she be his sister?
So they they two they're talking about two different people here. So if somebody comes and says like we believe in in in Isa but that Isa is not my Jesus. This person has got nothing to do with the Jesus of the Bible. Absolutely none. The Jesus in the Bible is the son of God. Is God. The Jesus in the Bible was crucified and he is the savior and the redeemer of the world. Do you believe in this or not? Don't tell me he's a prophet. What prophet? What am I going to do with a prophet? A prophet can't help himself, let alone help me.
But it's ironic ironic how they come back and they say that Asa went up to heaven alive and

will come back alive.
Muhammad is dead and rotted in the grave. Yet this one went up alive and when he comes back he will judge the living and the dead. I just want to know who is the judge of the living and the dead. Isn't it God? Would God give his job to a prophet? So is God now unemployed? I'm asking is God unemployed? Who is the judge? They'll say God. But you just told me this prophet is going to judge the living and the dead.
Now, the other thing is, wouldn't you want to follow someone who is living instead of someone who's dead? Looks like this guy's done much better at work.
And if he's going to judge the living and the dead, meaning like humanity, shouldn't I be nice to this one who's going to judge me?
In the Quran, it says about the Lord Jesus, according to their book, I speak Arabic. I write Arabic. I read Arabic.
I'm educated in the Arabic language.
What is Muhammad is saying in the Quran?
He's saying but Jesus or Isa but Jesus son of Mary is the word of God and a spirit of God.
Now I ask Muhammad where did you get this from?
But Jesus son of Mary is the word of God and a spirit of him. Oh John the fourth living creature which is the flying eagle. The gospel of John. John 1 verse one. The very beginning of the gospel.
In the beginning was the word. Look at what Muhammad is saying. Jesus, son of Mary, is the word of God. Okay, don't lose track of this. He is the word of God. John, six centuries prior to him.
In the beginning was the word and the word was with God and the word was God.
So what are you trying to say, Muhammad?
Are you saying Jesus is God?
That's what you're saying?
You got it from the Gospel of John.
Not from Allah. From the Gospel of John.
He is God.
We know all the history, but it's not my topic now. Maybe one day.
We know all the history.
This pale horse is green but it's said it's pale and pale means it's dead.
That's why who is sitting on it is death itself.
The moment you deny the divinity of Christ. He is not the son of God. He is not God and he was never crucified. You have denied your own salvation. When you deny your salvation, you've denied life.
When you deny life, what are you going to end up with? Death. That's why the one who sitting on it is death. You're going to get nothing but death.
Islam flourished and expanded with the sword. That's why on the flag of Saudi Arabia is green with two swords crossing. That's how it went with the sword. Jesus said, "My sword is my word and my word is love." You flourish through love, not by chopping heads. You flourish with love.
I don't want to offend no Muslim. That's not my intention. But this is what their book literally says. So don't tell me we believe in your Jesus. You don't. My Jesus is God revealed in the

flesh. He was crucified to save the whole world.
This is my Jesus. There in here it's non-negotiable area. We can't sit and say let's come up with a solution. Now this is the solution and the only solution. You better believe that Jesus Christ is the son of God. He is God himself. He was crucified. He was buried. Rose from the dead on the third day. And he will come to judge the living and the dead. For he is God revealed in the flesh. Period. If you don't believe in this, then you are a pale green. And a pale green is death.
Because the true green is life. Then the pale green is a fake green which is death. Opposite to life.
Islam came after heresy. Heresy began from after 3:25 till 6:35.
Over 300 years of heresies came left, right, and center. And then Islam came.
When Islam came, look, and I'll leave you with this.
I'll leave you with this.
And the name of him who sat on it was death. And Hades followed with him.
Hades. Whoever goes to Hades is going to hell, baby. And and Hades followed with him.
And power was given to them. Power was given to the to this Islamic faith.
Who gave this power? Jesus Christ.
So what did Ishmael bring? Muhammad.
What did Muhammad do? Denied the divinity of Christ.
Islam till now are fighting fiercely against Christianity.
They can say till kingdom comes we are a religion of peace.
There is only one place where you find peace when you embrace Jesus Christ as Lord and God. The crucified and the resurrected Messiah. This is where peace is made possible only. There is no peace outside of Jesus. Impossible.
Believe me, I'm not judging. Believe me, I'm not being discriminative. Believe me, I'm not being harsh. I will put my life on the line for this because I don't I I not only believe that this is the only way, Jesus, but I know it. I just don't believe in it only. I know it. I know Jesus. For God's sake, I know him.
I know him.
I can describe him to you.
I can assure you this has got nothing to do with these clothes. Got nothing to do with me having the cross around my neck.
Got nothing to do that I call myself a Christian yet I'm a very proud Christian. That's got nothing to do with it. This got to do with the truth, the whole truth and nothing but the truth. There is only one true divine God that has created everyone and everything here and in heaven. And that God is Jesus Christ of Nazareth. Period. You will never see Muhammad. You will never see Buddha. You will never see Krishna. And the 320 million gods in the in the Hinduism, the pantheistic world, none of them you'll see. They are all manmade.
You will only need Jesus.
You want to believe, fine. You don't want to believe, fine. But whatever you do, you'll be paid for it. Nothing to do with me, my dear friend. I know what I've chosen, and I've made up my mind.
Period. I've locked it in. Deal or no deal.

Meaningful Story

There was this man running away from the enemy. This other guy was chasing him to kill him. And when it comes to life, everybody wants to live, nobody wants to die. Life is precious, my beloved, because it's a gift from God, and everything that is from God is precious. Of course, he is the precious of all precious—Jesus Christ of Nazareth.

So he was running to save himself, running away from the enemy, running, running. And he came, and there was a very deep and very wide valley. He could not jump on the other side. He can't go back; the enemy is running after him. What do I do? What do I do? Frantically searching for an escape goat, he sees a tree sticking out of that valley. He said, you know what, I'll do anything just to save my life. He jumps, hoping that he's going to grab onto one of the branches of that tree, and he manages to grab onto one of the branches, and he hides in the tree in the midst of those leaves.

And while he's in that tree, the enemy is at the top waiting for him. He looks down at the foot of the tree, he sees two mice—one white, one black—eating away from the roots of the tree. He looks on the other side, he sees a lion with an open mouth awaiting for his fall to swallow him. And he looks on the left, he sees a big python climbing up the tree to grab him and eat him.

In the midst of all of that, my beloveds, the human is amazing. The enemy at the top waiting to kill me, the mice—white and black—eating away the roots of the tree to make it fall, the lion with an open mouth waiting to swallow me, the python coming up to eat me. A bee comes along and makes a beehive, and with the Lord's infinite wisdom, the sun's beam hits that beehive, and from the heat, honey begins to drip from that hive. This human being, knowing he is dead—dead meat—forgot about all of that death, forgot about the enemy, the mice, the lion, the python. He said, wow, man, I'm going to stretch my arm, and with my finger I want to see how sweet this honey is.

The enemy that is chasing me all the time to kill me is death. Sickness. Oh, poor guy, so-and-so died, had a heart attack; so-and-so died, had a stroke. Sickness is going to take me whether I like it or not. And if I'm not going to die with a sickness, I'm going to die because death is going to come and take me away. That is the enemy that is chasing me all the time. I'm forgetting about them.

The two mice: white—the day; black—the night. The day and the night. I get up in the morning and I say, oh wow, it's another day. And then the sun goes down, I say, the night came. And then I get up in the morning, I say, it's another day, another day, another night, another day, another night. What is the day and the night doing? They are eating away from the tree of my life. They are eating away from the tree of my life. The day and the night. I'm getting older, and as I'm getting older, I'm getting closer to the grave.

The lion is the grave. He's got his mouth open. The grave will swallow me whether I like it or not. You can say from now till kingdom comes, I'm not going to die— you will. The grave awaits everyone. I'm not being pessimistic, but I'm giving you a warning: don't be tempted by the honey, because the honey is the temptation of the world. The honey is King's Cross. The honey is Star City Casino. The honey is Las Vegas. The honey is this stinking world, this

filthy world, this ugly world. Is that honey. Do not fall for the sweetness because in this sweetness there is poison, my beloveds. Poison. Poison.
The python—Satan. Satan whispers in my ear to drive me to doing the wrong things. I'm forgetting, and I'm thinking I'm here forever. Let's have fun. What fun? The time is near. God bless you.

Satan´s Origin

This fallen angel is Satan. He was given the key to the bottomless pit and he was able to open this bottomless pit.
What is this bottomless pit? Which is this bottomless pit? Which one is it?
Humans intellect is the bottomless pit.
Humans intellect is the bottomless pit.
A star in its nature is dark, but you see the star lit up at night time. But in its nature, it's dark, but you see it lit up. Why? Because it takes that light from the sun.
The sun reflects at that star and you see it shining.
Light in the Holy Bible represents knowledge.
light and the holy bible represents knowledge.
Now why the bottomless pit is the human intellect? I'll come to it.
This fallen star we said is Satan. Satan prior to the fall he was an angel in heaven a creation of the almighty God.
And this angel was in the highest angelic order. Not only an angel but in the highest rank in the angelic orders in heaven. In heaven there are nine angelic orders. This is not our topic.
In heaven there are nine angelic orders.
The highest rank is the cherub or cherubims. Cherubim, seraraphims, thrones.
Cherubim, pope, seraraphim, archbishop or cardinal. Thrones, bishops like this one.
So the cherub is the highest rank. When you read in the book of Genesis what the cherub looks like, the Holy Bible describes the cherub as full of eyes inwardly and outwardly. He is full of eyes inwardly and outwardly. The eye in the Holy Bible represents knowledge because it is through the eye I see the light. We said the light is knowledge and through the eye I receive the light.
Therefore, the eye represents knowledge.
This cherub was full of eyes inwardly and outwardly. In other words, this cherubim or this cherub is full of knowledge.
Now this cherub decided to go against God and he wanted to be another god in heaven. God kicked that cherub out of heaven. Fallen angel, the fallen star from heaven is that cherub that was deposed by God. kicked out of heaven by God.
Whatever God gives to any of his creations, he never takes it back.
He never takes it back. So God gave this cherub knowledge in fullness. Obviously, not the fullness of the knowledge of God. God's knowledge is infinite. The angel has a beginning, has no beginning, has no end, but at least has a beginning. Therefore the angel's knowledge compared to God's it's nothing.
But compared to humans he is supreme.

You cannot overcame you cannot overcome Satan. He is too knowledgeable. He is too powerful for you.
So when God gave this cherub fullness of knowledge, full of eyes, full of knowledge, when he was kicked out of heaven, he took that knowledge with him.
But he ended up being a fallen angel. He became Satan. Instead of being light, he became darkness. Instead of being beautiful, he became ugly. Instead of good intentions, became evil intentions.
But the wisdom and the knowledge is still held by this cherub. So Satan is very smart, very knowledgeable, very wise. But all his wisdom and knowledge now is turned into evilness.
Foul language comes from Satan. Any human being that uses a foul word, Satan taught it to you. He's your teacher.
You did not learn it from your own pocket, from your own head, from mom and dad, from a a cousin, from a friend. No.
Satan teaches foul language. He swears.
He swears at God.
He swears at God.
And he uses language beyond measures, beyond your imagination, very foul.
So you want to resemble Christ, let your language be pure, my beloved child.
So this angel fell with his knowledge with him.
He had the key to the bottomless pit.
The bottomless pit is the human intellect.
What made the angel fall? Knowledge.
What made the human race fall?
Knowledge.
Adam in the Garden of Eden. The creation. The first creation of God. The foundation to the human race. Adam. What made Adam fall in the Garden of Eden?
knowledge. Which knowledge? There was two kind of trees. There was two kind of trees in the garden of Eden. One, the tree of life in the center of the garden. And also there too with it there was the tree of the knowledge of good and evil. The Lord God came to Adam and out of a paternal love caring for Adam worried about the well-being of Adam.
out of love. He warned Adam and said, "My child, whatever you do, do not eat from the tree of the knowledge of good and evil." And he was deceived by the enemy. The enemy whispered in Eve's ear and through Eve made Adam fall and all of us are Adam.
So, Adam ate from the tree of the knowledge of good and evil. So, this tree has two branches to it. One branch is good, the other branch is evil. There was another tree called the tree of life. Now, the tree of life here symbolizes Christ. Actually, I shouldn't be using the word symbolism. I'll take that back. Represents and illustrates perfectly Christ here because these trees are not symbols. They are literal by the way. They're not symbolic. They are literal trees. Yes, there is a tree called the know the tree of the knowledge of good and evil and that tree is me and you. We are the tree of the knowledge of good and evil. The tree of life is Christ and to Christ also to his tree there are two branches. Just like this tree, the forbidden one has two branches to it. So as the tree of life has two branches to it. Where do we find the two branches to the tree of life? In the gospel of John chapter 17:3 in John 17:3 the Lord Jesus is speaking here he says and this is the eternal life that they may know you knowledge

that they may know you that you are God the true God alone and Jesus Christ whom you have sent that they may know you that you are the true God alone and Jesus Christ that you have sent. So these are the two branches to the tree of life. One branch to know God and the other branch to know Jesus Christ who was sent by God the Father.
The tree of the knowledge of good.
Next to it we put to know God.
And to know evil is to know Jesus Christ.
You're probably wondering what was that about?
The tree of the knowledge of good and evil. The tree of life to know God and to know Jesus Christ. To know God handin hand with the branch of good. To know Jesus Christ goes hand in hand with the branch of evil. Why? Because Jesus Christ came exactly to wipe that evil from your life through his precious blood that he shed on Calvary.
But all of this is knowledge.
Now please pay attention.
This angel, this star that fell full of knowledge, he was given the key to the bottomless pit to the human intellect.
In other words, God gave this Satan, the fallen star. He gave Satan the permission to enter your head.
Otherwise, there is no one that can move, whisper, do, move anything without God's permission. Nothing happens without God's permission. If God opened our eyes and made us see what his awesomeness in heaven like you will laugh at the world and what the world is doing, you'll laugh at them. You will say these little children in nappy. They think they can surpass the wisdom and the power and the mightiness and the sovereign authority of Jesus Christ who art in heaven. Impossible. You will love these people.
So God gave Satan permission to enter your head.
Well, was very clear from the beginning.
He entered Eve's head. He whispered in her ear because he's got the key to the bottomless pit.
The bottom bottomless pit.
This your intellect. So he came to Eve of Uie.
Did God really say if you eat from this tree you'll die?
And good old our mother Eve. Yes. He said if you touch it and eat from it.
God never said touch. He said eat. The genius Eve added to God's word. Now that on its own is a huge sin.
That was the beginning to the sin.
Adding to God's word. You add to his word. You subtract from his word. That is a sin.
So he whispered in her ear. He entered her head, opened the door to the bottomless pit and gave her knowledge.
So when this angel fell, Satan, he came to do one thing to open the bottomless pit i.e. to enter humans intellect way of thinking.
Now, let's look.
I could talk for hours, you know. It's already 7:30. I can't believe this. It's not fair.
I'm just warming up now.
Verse two. And he opened the bottomless pit and smoke arose out of the pit like the smoke of a great furnace. So when he opened the bottomless pit, a smoke came out. You know, it was

like a smoke of a great furnace. What is he trying to say here? You see furnace that's fire as they say there is no smoke without fire and there is no fire without smoke. So wherever you see smoke rising into the into heaven you know something is burning. There is fire happening somewhere and the result of that fire is that smoke. Fire is also light. So what does light represent in the Holy Bible?
Knowledge. So this fallen star Satan came down to enter the the bottomless pit the human intellect and feed the human intellect his knowledge.
Now his knowledge the result of his knowledge smoke came out.
Imagine this when smoke came out what did it do? So the sun and the air were darkened because of the smoke of the pit.
When smoke comes, covers the sun and pollutes the air. You cannot breathe thoroughly anymore, you're you're choking, you're suffocating, and you do not see very clearly because the smoke makes it very dark. And wherever there is so too much smoke, you can't stay there. You will eventually suffocate and die.
So there is this knowledge given by Satan to the bottomless pit, the human intellect. The consequences, the consequences of accepting this knowledge from the fallen star, the consequences of it is the sun is darkened and the air is polluted.
The consequences of it when Satan came, he started whispering in people's heads.
Those who allowed Satan to enter, those who followed through with Satan and went with these thoughts, went with these ideas, they ended up suffocating and eventually dying.
Because the Lord Jesus said one thing very clear about Satan. He said he is the father of all lies and he is the killer of mankind from the very beginning. How did he kill Adam and the descendants of Adam? Through knowledge.
By opening the bottomless pit. He entered our intellect and fed us lies. A lie is totally opposite to the truth.
The lie when it enters it decimates the truth.
Now the truth is the light.
But the lie is the smoke that suffocates.
The 21st century, I've said it before and I'll say it again. The 21st century is we've reached a full cycle and we've gone back all the way to the Garden of Eden.
We've gone back to where all began long time ago. We are now living the Garden of Eden. And in the Garden of Eden, the tree of the knowledge of good and evil is still alive and active.
The tree of the knowledge of good and evil is me. The tree of life is Christ.
Christ is knowledge and I am knowledge.
However, if I rely on myself and follow through with my own intellectual capacity, meaning I rely on my intelligence, I say I can do it by myself. I can manage life by myself. I can manage the family by myself. I can build, I can do, I can go and come by myself. I do not need God. This kind of a human has been infiltrated by the one who has the key to open the bottomless pit which is Satan 100%.
You see God created us not to be independent meaning we manage and rule our own life. We were never created by God. We do not have such privilege. We do not have such privilege to be able to rule over our own life by ourselves. That is non-existent in no human being. God created us for either him to rule over our life or Satan to rule over our life.

Please, I beg of you. I beg of you. I beg of you. Stop listening to the lies of the world. Why? Because the world has allowed Satan to open the bottomless pit and enter their intellectual capacity and he has poisoned the human intellect with nothing but lies.
Any and every human being that walks away from this sweetheart.
Now by the way please please I beg you seek the true God. Those who are watching, those who are listening, Christ has got nothing to do with Christianity.
Christ has got to do with the true divine God. The creator of everyone and everything.
He's got nothing to do with me. He just touched my heart and changed this piece of wreck and made me turn back to him.
And he is willing to do that with anyone and everyone because he is the creator of everyone and everything.
There is no Muhammad, there is no Buddha, there is no Krishna, there is nothing. At the end you must face the one who created you. And this one, his name is Jesus Christ of Nazareth.
Up to you. You want to believe it, you want to reject it, you're free. However, the consequences of your decision, you are no longer free.
Now, some people say, "Did God create us free or are we just controlled by him?" No, it's very simple. You are free until you make a decision.
After you make the decision, you're not you're no longer free. It's very simple.
God is free until he speaks. The moment he speaks, he's limited to his word. He needs to fulfill it. Since he needs to fulfill his word, he's no longer free.
That's why God doesn't talk much.
Anybody home?
When any human being decides to walk away from the true divine God, Jesus Christ of Nazareth, they have no one else but Satan, the fallen star, to come and open the bottomless pit and control your intellect.
And what is he going to feed you? Lies.
And he's going to make you believe those lies to be the truth.
He's going to blind you intellectually, mentally, physically, emotionally, spiritually. In every way possible, he's going to blind you. Do not be surprised when people are doing things, saying things so out of place. Do not be surprised. They are infiltrated by the fallen star who has poisoned their intellect and made them go totally blind.
But those who belong to Christ, the Lord Jesus will make sure their eyes are open.
It is his responsibility.
He looks after us. He is responsible for his children's well-being. So, he's going to open your eyes and show you things before they happen.
Show you things before they happen.
When you walk with the Lord, it's not about I'm a doctor. I know what I'm talking about, my dear friend. It's beyond you. You're a doctor with all love and respect. But what is happening in the world is much greater than any doctor on the face of this planet. Satan can devour any doctor, any scientist, any professor, any president, any patriarch, any bishop. If you do not make Jesus Christ king and lord over your life, Satan will devour you. No matter who you are and what you are, it's not about how knowledgeable you are, how powerful you are, how rich you are. Satan is beyond any intellectual capacity, human capacity.

Does Satan Control You ?

Everything is the Lord. Everything is the Lord.
And whatever happens, remember, we live for him. We die for him. Nothing else matters outside of him. Because outside of him is nothing but temporal. And everything that is temporal is a dream. And every dream is a story based on a lie. Cuz the moment you wake up from the dream, you are no longer that person that you saw yourself in the dream. Maybe in the dream you saw yourself a king or a queen, but it's only a dream. The moment I woke up, I looked at myself and I'm still cleaning Fairfield City.
Christ is the truth never changes. Reality is a dream that changes at the awakening. That changes at the awakening. So I need to live for the Lord Jesus, my beloved.
So we see Martha's faith diminishes in verse 39.
Lord, by this time there is a stench for he has been dead four days. Then the Lord reminds her of all this in verse 40. Again, I'm I'm making an emphasis on this. Did I not say to you, if you would believe, you would see the glory of God? I wish our faith was unshakable because the unshakable faith will make you see the glory of God. The unshakable faith will make you see the glory of God.
A person whom I know very well for many many years had an issue with his heart. He asked me to come and be in that video call with a very well renowned surgeon here in Sydney. He's a professor and and a famous one. He is a heart surgeon, very famous. I don't want to mention the name. Maybe he doesn't like it. But I saw him and when I see him next time, I remember his face.
I was in that video call. There was a screen. I went to the hospital. Campbell Town Hospital. Those who are from Sydney, they know where Campbell Town is. The good old Campbell Town, brother.
So I went in there and then we introduced ourselves and the surgeon said your surgery is complex and I am bit hesitant to go ahead with the surgery because we may lose you.
We may lose you in that operating theater. He said, "No, I still want to do it, please, because I'm suffering." After a little while going forth and back and talking and discussing, he decided to do the operation. We said, "Okay, thank you, Lord. Let it be your will." within a very short time.
What I mean a short time was like days maybe I know a week more or less I don't know a surgeon he's here he's in Sydney the surgeon calls the patient whom I know for maybe 30 years he says um I don't know what to tell you but something has happened what is it he said, "We're not doing the surgery anymore." Why?
The patient thought he changed his mind. He said, "No." He said, "Your heart is fine." in my entire professional service and as a professor top surgeon in Australia. He said it is the first case ever in my entire medical life. You have two new veins created created. The surgeon is here. I hope he's listening.
He said, "You have two new veins created and they are allowing the blood to flow quite beautifully." And then the patient said, "Huh, the surgeon, I don't know if he's Christian, he's an atheist, none of my business." He said, "Look, I don't know how. I have no medical answer to this because I've never come across anything like that. He said, "But maybe."

Maybe he said this out of fear. Maybe he said it for whatever reason. I'll leave that with him. He said, "But maybe your heart created those veins." You know when someone so educated speaks with ignorance, it's like these scientists, they can see the complexity of the universe. They can see the complexity of the human being. They can see the complexity of life in its essence. And they come up with this genius idea. Something exploded over 13 billion years ago. I just wonder, was it you there, your uncle, your grandpa, or that ape gorilla that was there awaiting for the explosion to happen? Look, wake up and smell the truth. For the truth is Jesus Christ, the creator of all.
The heart created the veins. Who are you kidding, professor?
He said, but I don't know. The patient said, "Doctor, with all love and respect to you, I know his name is Jesus Christ.
He made the veins for me." Now, that was an uppercut.
Jesus Christ of Nazareth. Didn't I say to you, Ma, that if you would believe, you would see the glory of God?
But I want you to believe without doubt, without suspicion, without weakness, without hesitation. I want you to be confident when you believe in me. Now, whether I take you to me or keep you here, you better have faith. Either way, I want you to be confident.
Don't you want to come to me? Why you afraid of leaving this world? Oh, so you love this world more than me. You don't want to leave it.
I love you, Lord. Whatever, however, whenever. All good.
All good. You want to keep me, let it be your will. You want to take me, let it be your will. I suffer, let it be your will. You make me comfortable, I let it be your will. But whatever, but whatever you do, Lord, one thing I'll beg you never to do. Don't ever let me walk away from you because I will. I'm weak. I'm a sinner. I'm blind. I'm dumb. I'm foolish in every way. But Lord, you're the savior. You're the redeemer. Whatever happens from my side, please, you are the faithful one. You are the loyal one.
I'm not. Hold on to me. Have mercy on me. Be patient with me. I know I am nothing but a pain to you. But please just be tolerant with me, Lord. Because at the end, I want to be with you. I don't know how, but you can. I trust in you, Lord. I believe in you. Amen.
Amen. Now here we discover something and that is being engaged with God in a discussion or in an argument more so does not produce any positive outcome from God's side. When you engage with the Lord Jesus in an argumentative approach, you're not going to get the Lord's attention. He's not interested now. You're arguing with him. He wants you to have faith and say, "Amen, Lord. That's it. And leave it and move. It is done already. I'm not going to sit and think, did he hear me? Is he going to listen to me? Is he going to answer me back? Is he going to give me my wish?
Granted, not stop it. This is totally against faith.
So when you argue with the Lord, God won't do much. at all.
But tears and submission on the other hand, we see how much this impact has on the Lord. Tease and submission. We see how much it impacts the Lord Jesus. Now we come now to Mary. See Martha when she went where the Lord was, she met him.
But look what the Holy Bible says about Mary in verse 32. When Mary came where Jesus was and saw him, she fell down at his feet, not met him.
She fell down at his feet. The moment she saw him, she fell down at his feet. Martha met

him. Mary worshiped him the moment she saw him. Humongous difference.
And Mary said the exact words which Martha said to the Lord. And those words are, "If you were here, my brother wouldn't have died." The very exact words that Martha said, Mary also said, but the difference was Martha met the Lord, Mary worshiped him when she saw him. Now, if you were here, Lord, my brother wouldn't have died. That is a statement said based on absolute weakness because Martha and Mary, both of you are acknowledging that he is the Lord. And the Lord means he is God. Now, does God need to come where your brother is for your brother not to die? Can't God raise your brother wherever God is? Why does he need to come where your brother is?
You see a contradictive statement when it comes to faith. So that statement is said by someone who is weak. Someone who's weak. God doesn't need to come where your brother is for your brother to to remain alive. God can keep him alive wherever God is. Amen. Amen. But you see my beloveds, we see the weakness is in both Martha and Mary but with a difference. Martha's weakness was based on argumentative engagement. But Mary's weakness was based on worship.
So now as believers in the Lord Jesus, so many Christians come to the Lord and ask the Lord for things. Some Christians get what they ask for. Some don't. Why?
Because those who come and receive nothing, they come on the basis of arguing with the Lord. Why aren't you doing this? When are you going to give me this? I've been begging you for so many years and you've done absolutely nothing. I've had enough. Lord, if you don't give me my wish, I will not talk to you ever again. The Lord says, then bash your head against the wall and move on because this kind of a nonsense has no place in me here.
But when you come and say, Lord, I can't do it anymore, but you can. I don't know what to do anymore, but you know, Lord, I'm dead, but you raised the dead. Lord, I'm lost. You are the good shepherd who found the lost sheep and brought it back to the fold. Lord, I'm hungry. You are the living bread. Lord, I'm thirsty. You are the living waters.
Lord, I'm I am finished.
You are the beginning and the end. Nothing is lost.
When you come with the weakness but acknowledging the infinity of God, God will move mountains for you. Rest assured, my beloved, but you see, when you come with a broken heart, with humility, yet you're weak. All of us are weak. But when you come with humility, not self-ride, not arguing, but submission, submitting to God, when you come this way, the first thing will happen to you. Tears will start flowing down your face.
Tease. Why? Because now you're speaking the language of the heart, not the lips, the heart. That's where tears come from, from the heart. When you speak the language of love, you will cry about the one you love. When they are distant from you when you are longing for them, you will cry. When you miss them, you will cry.
And this is where the Lord Jesus we find that his he is reacting to Mary in a completely different way than to Martha. In verse 33, this is all chapter 11 of John the gospel writer. In verse 33, look what verse 33 says. When Jesus saw her, meaning Mary, when Jesus saw her weeping and the Jews who came with her weeping, the moment the Lord Jesus saw those tears in the beginning of our topic last week, the Lord said, "Turn your eyes away from me, for they have overcome me." Song of Solomon chapter 6 verse 5. The moment the Lord saw the tease on Mary's face and those Jews were with her, he says, "Turn away those eyes. I can't

handle my children crying. It breaks me to smitherine. I have to do something about it. When I see my son and I see my daughter crying, I will not be silent anymore. I will do the impossible for my children. Because the only thing that overcomes God are your tears. Why? Because tears never lie. But the tongue always twists things and lies. Tears never lie.
And God loves a human to be honest with themselves before they are honest with God. Be honest with yourself.
And know what you are saying and what you're asking for before you come to me and ask me for it. Be honest with yourself. Be honest.
Now in verse 33, when the Lord Jesus saw those tees, it says he groaned in the spirit and was troubled. It really shook him. It really hurt him badly. He says, "I got to do something about this." And in verse 34, the Lord Jesus says, "Where have you laid him?" In verse 35, it says two words only. Jesus wept, cried, broke him. You win.
He has done what you asked for. He cried.
Now the question is, Lord, why? Why are you crying? Aren't you the one who is going to raise Lazarus from the dead? You should be happy. You should be joyful because you're going to raise him and you're able to raise him. You're capable. You're God. So why are you crying? The Lord says, "No, I'm not crying for Lazarus, but I'm crying for the entire human race.
Not Lazarus. I'm crying for the entire human race.
But how, Lord, are you crying for the entire human race? You're at the tomb of Lazarus. Because when the Lord Jesus came to the tomb, how many days had gone by since Lazarus was dead? Four days. The Lord Jesus deliberately waited till the fourth day. Now why? Why? After 4 days he comes.
You see Lazarus here, my beloveds, represent the entire human race. Sorry, I'll stop for a sec. Is it cold?
No. Yes. No. Okay, I'll continue. But if you think it's cold, just put your hand up and I'll just ignore it. So now why did the Lord Jesus come after 4 days? See when we read in the scriptures, when we study the scriptures, we will find that from Adam to Abraham, it was a 2,000year period. And from Abraham to the Lord Jesus, another 2,000 years. In other words, from Adam to the coming of Christ the Messiah, 4,000 years had gone by. And when we read the Epistle of St. Peter 2 Peter 3:8 St. Peter says, "And with the Lord, one day is as a thousand years, and a thousand years as one day." 4,000 years, a day is like a thousand, and a thousand years is like a day to the Lord Jesus. Then 4,000 years is 4 days. Jesus coming to the tomb of Lazarus after 4 days. Meaning, I wept for the entire human race from Adam till the last one who comes.
And the word of Martha, which she said to the Lord Jesus in verse 39, Lord, by this time there is a stench, for he has been dead for days. She said it not for her brother but for the entire human race. Because my beloved, everyone sinned and through sin death entered and death got us into the grave and we rotted in the grave. The Lord Jesus wept for the death which entered through sin and brought stench to the human being and destroyed the image of God in which man was created. Christ cried for that image which God had created you with. He said you sinned, death entered and death distorted that image. I'm crying for that beautiful human that walked away from me. The Lord Jesus says, "Take away the stone." A very strange request from the Lord Jesus. Take away the stone. But Lord, you said to us in

Matthew 17:20, in Matthew 17:20, you said to us the following. If you have faith, he's talking to us. If you have faith as a mustard seed, a very minute piece of seed, if you have faith as a mustard seed, you will say to this mountain, "Move from here and go over there, it shall happen. It will move." So now, Lord, you're asking us to move mountains with a faith of a mustard seed. And aren't you able to move a stone with a word?
You're God. You're asking the human, if you have a mustard seed faith, you can move a mountain. But you're God and you're asking us to move the stone. Can't you move the stone, Lord? He says, "Of course I can, but I will not. You need to move the stone.
My job is to raise the dead. My job is to make resurrection possible.
But you need to move the stone.
See the Lord here is saying resurrection will not happen until we remove the stone of our sin. That stone placed on the tomb of Lazarus represent our sin. A stone here is heavy and sin weighs heavily on us. When we live in a sinful way, it really puts a lot of load on us and it get us to a stage where we fall and we can't carry on anymore.
So the Lord says resurrection will not happen until you move remove the stone of your sin. And what? And inhale the very stench of your sin and hate your wrongdoings.
I will not raise you from the dead until you remove the stone of your sin and smell your own stinking smell of sin and then begin to hating that sin that made you rot in the grave until that moment I will not raise you.
See the prodigal son Luke 15 he left his father's house mansion he lived like a king he didn't want it he wants to be free Mr. genius.
So he goes to a far away far off country and he lives in a bad way. Then he realizes one day he said, "I've had enough smelling the stench of the pig's field." He started longing for the bread in his father's house. He said, "I've had enough of this stinking life." See, I've been taking drugs for too long. I've been gambling for too long. I've been an alcoholic for too long. And by the way, once I was talking like that, they thought I was a drug addict.
I'm just talking in general. I I I never took drugs. I never took Please relax. But you lived this kind of a life. And one day you wake woke up and said enough is enough. Until when am I going to live in this filth? Until when am I going to remain swimming in this sinful life?
I hate myself. I hate sin. I hate the smell of sin which is filth. Stinking filth. Enough is enough. I'm going to make a change once and for all. When you say that wholeheartedly, the Lord will raise you from the dead will change you. But until you are honest, truthful to yourself, nothing will change.
You can come and beat your chest and say, "Lord, have mercy on me." Come on, Bishop. Hurry up. I want to go to Mandai Beach after this.
You're not going to change, brother. You need to be honest.
The day you hate sin is the day of your resurrection by the Lord Jesus.
The day you hate sin, it is the day that you will offer a genuine true repentance. It is the day that you will offer a genuine true repentance. Christ is waiting to raise you.
But you can come and say, "Yeah, I'm a sinner, but you know what, man?
I still love going to Las Vegas. I still love going, you know, to the pub with me mates. I still love, you know, the the white powder. I still love this. I crave for this and I miss this.
You haven't hated sin yet. You need to be honest for a change to happen. You need to be honest. The day you're honest, Christ has changed you. You don't need to go him to him. He

came where Lazarus was.
He came. Nobody needs to tell the Lord. He's God.
He knows you and everything more than you and more than everything.
But the Lord is the truth. He loves somebody speaking the truth. And what is the truth about humanity? We're all sinners.
We are We all failed God. We need to be honest with it. Stop trying to make it look good. Say, "I'm ugly because you're speaking the truth." If you're going to say, "Lord, you know, I'm not bad." What is not bad? No, it's either bad or good. What is not bad? You see, it doesn't make sense. What do you mean you're not bad? You're either bad or good. Don't paint it.
Not going to work with the Lord. If you're going to say good, if you're going to say you're good, the Lord says I came for the bad. Sorry, I'm not going to choose you. But if you say, "Lord, I'm bad and I need the good God to heal me and raise me from the dead." You've got the Lord.
Amen. Amen. Now for this we must take away the stone.
When we get close to removing the stone, we will smell our own stench.
The moment we smell our filth, we're going to make a stand, a genuine stand. We'll take a stand. We'll hate our foolishnesses and we'll hate sin. And the moment we begin to hate sin, it is the moment we offer a genuine repentance.
So now what happened at the tomb? Two things my beloved happened at the tomb of Lazarus. Number one, death came out of Lazarus and entered Christ. And life number two, life came out of Christ and entered Lazarus. I'll say it again.
Death number one, death came out of Lazarus. and entered Christ. Number two, life came out of Christ and entered Lazarus. The Lord Jesus at the tomb of Lazarus took what was ours and gave us what was his. What was ours? Death and what was his eternal life. He took our death and gave us his life.
He took our filth and gave us his holiness.
And the Holy Bible says this, and I'll I'll finish it off on this. The Holy Bible says the following about Lazarus.
The Bible doesn't mention that Lazarus came out of the tomb. It says the dead one came out of the tomb. Not Lazarus. Yet, he is Lazarus. But it didn't mention Lazarus came out. The dead. Look at this.
And he who had died came out. Who? He who had died is Lazarus. But the Holy Bible didn't say Lazarus. It says he who had died came out.
But the Lord when he stood before the tomb, he said, "Lazarus, come forth." He called him by his name. But the Bible says, "The one who had died came out." Why? Here the Holy Spirit says the one who had died came out because my beloveds for the first time ever in Lazarus's entire life and the moment him being in the grave for the first time ever the one who called him to come out heard the voice of the living one.
I am absolutely sure when they put Lazarus in that grave, at least his sisters Martha and Mary both cried heavily. And they shouted and yelled and screamed and begged, "Lazarus, please come out. Lazarus, you are not just a brother. You are our father. You are the backbone of this family. What are we going to do without you? Two females without a man in their lives. You left us orphans. Without you, we are shattered, destroyed. Lazarus, please come out.

They begged him. The people of the town begged Lazarus, "Come out. Come out." Lazarus did not come out. Why?
Because all he was hearing was the voices of dead people like him. For the first time ever, somebody rocks up at the tomb. His name is Jesus Christ of Nazareth. And says to him, Lazarus, come forth. He says, "Wo, hallelujah. For the first time, I hear the voice of the living one. And when the dead hears the voice of the living one, they shall rise." Amen. Amen.
A dead cannot raise another dead like him. But the living one, Jesus Christ of Nazareth, can raise the dead. A blind man cannot lead another blind man unless they fall into the ditch. But the one who says, "I am the light of the world," will show you the way where you never fall again.
Man, I'm breaking world records here. It's not even 7:30. It's 7:29 on the dot.
Now for the next two hours, my beloveds, see the Lord Jesus is not a story to tell, is not a song to be sang, is not a a sermon to be given, it's not a preach, is not a book I just read. The Lord Jesus is life I need to live.
Do you ever go to school to learn about life? Is there a book called learning about life? A topic, a subject taught at primary, high school, university? There's no such thing. Why? Because life, you don't learn it, you just live it. Who taught that baby who's just born now how to live, how to breathe? Who told him? Who taught him? No one God because God is the source of life and God says you need to live me.
And how do we live as human beings in the physical form? Breathing. We inhale and exhale. Do we think before we inhale? Do we count how many times we've inhaled? No, we don't pay attention.
We don't. It comes naturally because this is how life must be approached naturally. You don't think about it. You don't plan for it. You don't study about it. You just live it. Christ says, "Don't think twice to come to me. Don't plan to come to me. Just come because I'm your life. I'm already there." Because this breath you take is me. That breath is me, Jesus Christ of Nazareth. So don't ever say, "Lord, where are you? Lord, why have you forsaken me? Lord, why are you so distant from me?" He says, "I am the closest ever. I am that breath of life that you live on.
That breath is me. I can't get any closer than that.
You breathe me every moment without even thinking.
And this is the way I want you to live for me naturally.
naturally means you don't need to think, "Oh, I don't want to miss Sunday to go to church and then, oh, I forgot when Sunday came." How can you forget? Or you go to church and to your tough luck, the bishop is preaching or doing the the liturgy. Oh, you say, "Oh, no, please. That's 4 hours.
I'm going to miss out on lunch in a restaurant and it's a sunny day on top of that. Man, what am I doing here? When you are with your sweetheart, the last thing you will ever do is look at the time.
My son, when you're sitting with your Juliet, When you're sitting with your Juliet, do you sit with your love and keep on huffing and puffing and say, "Come on, hurry up. Let's go. I've had enough of, man. Time is not moving quickly." You don't look, you take the watch off and you put in your pocket. Because you don't want to look at the time. You don't want the time to take you away from your Juliet because the last thing you want to do is miss out on Juliet.

When you are with Juliet, this is all you know and all you want. The Lord says, "Treat me exactly like that." When you are in my presence, time seizes. Because wherever there is love, there is no time. Wherever there is love, there is no time. Why are you looking at the time to walk away from your love?
What kind of love is that? That's fake.
So, father, how often shall I go to church?
What kind of question is that? You don't go to church. You are the church. And Christ is dwelling in you in his Holy Spirit. Wherever you go, you are the church.
This building out of bricks and mortar is just a physical representation of the spiritual church. Your heart is the church. The Lord is saying, "I don't want you to come and tick the list if you've been to this brick and mortar church. I want you to have no time when it comes to me because I want your heart to dwell in it forever. You are my church. What church are you talking about?
Shall I read the Holy Bible? Is one chapter a day enough, Father?
No. Receive the thought of Christ.
So that the moment you wake up, you think of him. The moment you look at the world, you think of him. The moment you look at people, you think of him. The moment you look everywhere, you think of him.
That's where the where God said to Moses, when Moses asked him on that Mount Si, he says, "Your people are waiting at the foot of the mountain. When I go back to your people, they'll ask me, "What was the name of this God that spoke to you? What shall I say your name is?" God says go and tell them I am that I am. What God was saying to Moses is this. Tell them I am that I am. Meaning when you look at the bird, I am that bird. When you look at the tree, I am that tree. When you look at the land, I am the land. I am the sea. I am the star. I am the moon. I'm the sun. I'm the galaxies. I am in all and all are in me. I am And when you look at yourself, I am you and you are me. Why are you searching? What are you looking for?
I'm already you and you are already me. Do you believe this? Because if you do, you will see the glory of God. Live the Lord.
Focus on the Lord. Amen to that.
Holy forever. There is none like Jesus Christ of Nazareth. Never will. Impossible.
There is no God but him. And if, which is impossible, but I'm just saying it. And if there was another God, I don't want to know him. Since I came to know Jesus Christ for me, he is it. There's nothing else but him. I don't want to know any other god. I'm not interested in any other god. And I will never ever search for any other god. Because the moment Christ found me, I found myself and I found home. He is my home. He is my shelter. He is my refuge. He is my creator. He is the alpha and the omega, the first and the last, the beginning and the end. He is the light of the world. He is the life and the resurrection. He is the good shepherd that leads me to green pastures and still waters. He is the one who called me out of the grave and said, "Lazarus, come forth." He is the one that no matter what happens, it is never too late because with God, he is the God of the impossible. Yet Lazarus rotted in the grave four days, 100% dead. But God with one word raised this rotted body and brought it back to life once again.
This is the Messiah, the one who created those veins, not the heart, Mr. Professor. It is Jesus Christ of Nazareth who makes the impossible possible. He is the source of life. He is life

itself. But the Lord above all, he is love. Love him.
Love him, my beloved. Amen. Amen.
Man, that was good.
And I feel good. There you go. Beautiful. You see, like with the Lord, you need to take it easy.
Look, don't ever complicate your faith. Don't ever think by putting on some sort of a show and being grumpy and serious, now you have faith in the Lord. Relax, man. You're forget it. Relax. Be happy.
Love Job just like the bishop. But let your faith be between you and the Lord in the heart and the chamber of the heart where intimacy is. This is private, no one's business.
And anyway, the Lord is joy, happiness, freedom, dignity, identity, the son of God. Why should I be grumpy, laugh, and joke and go to Mackis and get the fishburg and the chocolate Sunday and with it Monday, Tuesday, Wednesday, Thursday, Friday, Saturday or whatever. It's all good. Relax, brother. It's not the end of the world. And even if it is, who cares? Christ is always in control.
They can kill the flesh, but they can't kill the spirit. Entrust him. Entrust the Lord with your spirit.
When somebody have faith in the Lord, even if they kill him like Charlie, what do you think he's dead? If he made Jesus as Lord and Savior, that soul never dies. A bullet is nothing. But the sad part of all overall for humanity to reach such a low level of dignity, animals wouldn't do that. So in this kind of an act, animals are superior to those people when it comes to morals.
I've seen an actual video of a lion saving a little gazelle and taken that little gazelle to mom chose not to eat it. A lion and look at us people acting below the level of animals.
You know the tree from its fruits. The Lord Jesus says the Lord never allowed anyone to kill anyone. The Lord came to give life for those who were dead and rotted in the grave. This is Jesus Christ of Nazareth.
You want to learn morals, values, ethics, and human identity?
Seek Christ and his kingdom. and he will show you the way.
And Elise, that was beautiful. And I will always love you.
That was a Middle Eastern style Whitney Houston. This is the Whitney Houston of the East. And I will always love you.
That was the Lebanese habibi. After you eat baba and tabul, you're going to say and you will always love. There you go. See, you need to laugh as well. There you go. Wonderful. When when I when we were in Lebanon a couple of years back, this is what I love about the Middle East in general. It's alive. like here like they they live like chicken you know 5:00 p.m. all closed shut down come on man put more parks put more gardens put some lights and let families go out and sit in a garden you jolly where you want to go out where do you go either shopping westfield paramata or it's a club or a pub or give a place for families man it was 1:00 a.m. we were eating falaf 1:00 a.m. inhabib 1:00 a.m. I saw young men and women dressed up as if they were going for Miss Universe, you know, like it was a dress show. A baby took him 4 hours to be ready to come to a little falafil shop in a very humble place. 1:00 a.m. life begins.
Stunning, man. You ain't going to find nobody depressed like in Lebanon with all the

difficulties that are happening and so many Middle Eastern countries with all the hard works, with all the hardships, you know, not enough jobs, not enough money, not enough this, but no one is depressed here. They've got everything. Why? What's wrong with you?
I don't know. Why you like this? I'm sad. I'm upset. I need some depression tablets. Hey, what is Go to Lebanon, come back. No depression. You know, you walk through the airport in Beirut, everybody's yelling. You can't be depressed.
Yellow sheep. Stunning. Stunning man. I couldn't sleep one night. 3:00 a.m. The streets was like 3 afternoon.
They're busy. Nobody sleeps. Nobody sleeps. Amazing. You can't be depressed.
You know why depression hits people? Because the western world focuses on individualism, not family. God said to Adam, "It is not good for you, Adam, to be alone. The Western world wants you to be alone because they know that evil agenda." They know the moment they make you alone, they've got you and they put you on tablets. You're finished with the big farmer sick mentality. Go to Lebanon. You don't need the big farmer. You just need a big heart and big ears to receive.
When I be the next prime minister, thank you very much. I'll make it like a Middle Eastern, you know, and we bring the Italians, the Stallions. Beautiful, man. You bring the Greeks, you bring all the Middle Eastern people. Stunning, man. That's the life.

Evil People Worship Satan

hey have Satan temples in America. They worship him in the open, and they want to do it here in Australia, and they will do it. What is happening to our governmental bodies? Total, total non-existence of God in their hearts. Therefore, God in their hearts; therefore, Satan is infiltrating. That’s why he will implement everything that he wants. We’re living in the end of times.
They don’t want to see the light, and you speak love, they see you as the enemy. You speak out of concern for their own well-being, they put an X on you, and they say you are a discriminative, a judgmental human being. How dare you do that. I’m going to sue you, I’m going to take you to court. Hang on, I said I worry for you, I care for you. This is not the way a human being should live.
They don’t want to hear about Jesus Christ. Once upon a time Australia was Christian—no longer. Once upon a time America was a Christian country—no longer. Once upon a time Canada was a Christian country—no longer. Once upon a time the entire Europe, European nations, were of Christian backgrounds—no longer. Atheism is infiltrating the entire globe, especially the Western world.
You want to build a church, all hell breaks loose. You go and build anything else—no problem brother, these are minorities, you know, we need to look after them. You speak about any religious figure—I dare you speak about Muhammad or Buddha in the midst of Buddhists or Muslims—they will chop you. But look what they are saying and doing about Jesus Christ, and no one is moving a finger.
Christians have gone asleep. No more Bibles in the schools, no more speaking of Jesus Christ or God. I just wonder sometimes, when they mention the word God or the name God, we

need to specify which one. In Hinduism there are over 3 million gods, so which one is it? In Islam, which God is that? Even the prophet doesn't know. I know Jesus Christ; he revealed himself to me. I know him. They don't want to hear about Jesus.
They started passing laws that are against Jesus Christ. What has become of Australia? The Chinese have made fun of Australia. They have put Australia so low with their talks, saying that you are nothing but a puppet, we can do whatever we want to you. If Australia was under the jurisdiction of Jesus Christ, who is China and where is China? You know what Jesus can do to China: before Mr. Zening Binging blinks his eyes, he will be gone with the wind. If Jesus wants to bring somebody down and breaks them, they will not know what hit them.
My dear friend, there is no power beyond and above Jesus Christ. But this is what happens when we walk away from our own God. The enemy will devour us and will make fun of us. It is only fair. We've walked away from our Christian God.
And I've said this and I'll say it again: if anybody wants to compare Jesus with someone else, I'll say, my dear friend, don't even waste your breath, because there is no comparison whatsoever. But if you insist on comparing Jesus with a religious figure, no matter who they are, or philosophical figure, then I will say, okay, let's enter this context—contest or whatever it is, contest. Sorry man, I'm upset, I'm upset; it's very sad what is happening in our life, in our time and age.
You compare Jesus to anyone, I'll ask anyone that believes in a religious figure: the ultimate any religious figure, any philosophical figure, any political figure—the best they could have achieved was to change a bad person into a good person. Maybe they brought some good values, good morals, good ideas, whatever it is they did. The ultimate—they changed a bad person into a good person.
Jesus Christ stands alone, so far and above everyone else, so uniquely. The Lord Jesus did not come to change bad people into good. Jesus Christ, all glory to His holy name, he came to change dead people into living ones. In this, there is no comparison. No one ever did that.
If you believe in my word, even if you die, you shall live. But if you eat my body and drink of my blood, you will live in me forever. No one dared to claim this statement—neither Muhammad nor Buddha nor any religious figure or any philosophical figure. Why? Because they all realize they are nothing but a piece of dust. One day they were born, the next day going to die. Someone who has no life in him cannot give it. Only Jesus said it because he is the source of life. That's why he was able to claim it.
This is the truth, the whole truth, and nothing but the truth. So help you—you—Jesus Christ, the owner of the Book of Revelation, the judge of the entire world. The time is near, my beloved. We need to walk away from what the world is offering. We need to walk away from so-called friends and what they're trying to give you under the banner of "let's have some fun," "it's a free country." These are all deceptive statements. They don't exist. This world has a Creator. This world has the sovereign judge and the supreme authority. And no one is free.

Jesus will judge us at the end. The time is near. The prophecy of this book is coming into conclusion; it's going to be fulfilled. A lot of it is being fulfilled now, some of it is yet to be fulfilled. We're going to cover all of them. Bear with me. Two years, right? The time is near. Jesus could be coming any day, any minute. And the time is near because I don't know when

the spirit is going to leave this body. I'm going to die, my dear friend. Maybe I'll go home tonight and I'll sleep, and I'll never wake up. Am I ready to face my Creator? Have we thought that death could snatch me just like that before I blink my eyes? The time is near because death is chasing me every single moment.

And I'll leave you with this. There was this man running away from the enemy. This other guy was chasing him to kill him, and when it comes to life everybody wants to live, nobody wants to die. Life is precious, my beloved, because it's a gift from God, and everything that is from God is precious. Of course, he is the precious of all precious—Jesus Christ of Nazareth. So he was running to save himself, running away from the enemy, running, running, and he came, and there was a very deep and very wide valley. He could not jump on the other side. He can't go back; the enemy is running after him. What do I do, what do I do? Frantically searching for an escape goat, he sees a tree sticking out of that valley. He said, you know what, I'll do anything just to save my life. He jumps, hoping that he's going to grab onto one of the branches of that tree, and he manages to grab onto one of the branches, and he hides in the tree in the midst of those leaves.

And while he's in that tree, the enemy is at the top waiting for him. He looks down at the foot of the tree, he sees two mice—one white, one black—eating away from the roots of the tree. He looks on the other side, he sees a lion with an open mouth awaiting his fall to swallow him. And he looks on the left, he sees a big python climbing up the tree to grab him and eat him. In the midst of all of that, my beloveds, the human is amazing. The enemy at the top waiting to kill me, the mice—white and black—eating away the roots of the tree to make it fall, the lion with an open mouth waiting to swallow me, the python coming up to eat me.

A bee comes along and makes a beehive, and with the Lord's infinite wisdom the sun's beam hits that beehive, and from the heat honey begins to drip from that hive. This human being, knowing he is dead, dead meat, forgot about all of that—death, forgot about the enemy, the mice, the lion, the python. He said, wow man, I'm going to stretch my arm, and with my finger I want to see how sweet this honey is.

The enemy that is chasing me all the time to kill me is death. Sickness—oh poor guy, so and so died, had a heart attack; so and so died, had a stroke. Sickness is going to take me whether I like her or not. And if I'm not going to die with a sickness, I'm going to die because death is going to come and take me away. That is the enemy that is chasing me all the time. I'm forgetting about them.

The two mice—white, the day; black, night. The day and the night. I get up in the morning and I say, oh wow, it's another day. And then the sun goes down, I say, the night came. And then I get up in the morning, I say, it's another day. Another day, another night, another day, another night. What is the day and the night doing? They are eating away from the tree of my life. They are eating away from the tree of my life. The day and the night. I'm getting older, and as I'm getting older I'm getting closer to the grave. The lion is the grave. He's got his mouth open. The grave will swallow me whether I like it or not. You can say from now till kingdom comes, I'm not going to die—you will. The grave awaits everyone.

I'm not being pessimistic, but I'm giving you a warning. Don't be tempted by the honey because the honey is the temptation of the world. The honey is Kings Cross. The honey is Star City Casino. The honey is Las Vegas. The honey is this stinking world, this filthy world, this ugly world, is that honey. Do not fall for the sweetness because in this sweetness there is

poison, my beloveds—poison, poison. The python—Satan. Satan whispers in my ear to drive me to doing the wrong things. I'm forgetting and I'm thinking I'm here forever. Let's have fun. What fun? The time is near. God bless you.
